TO SERVE THOSE WHO PROTECT

PAPERLESS MEMBER STATEMENTS!

To reduce costs and the risk of identity theft, starting in 2010, your member statement will no longer be mailed to you. Instead, we will continue to provide quick and efficient access to your information on-line at www.lafpp.com! A postcard will be sent to you letting you know when your new statement can be viewed.

To view your statements currently available on-line, take the following steps:

1. **Log onto www.lafpp.com.**
2. **Click on the *Plan Details* link in the left panel.**
3. **Next, click on the sub-link to *Your Personal Information*.**
4. **Read instructions for accessing OnPoint (User ID and Pin).**
5. **Log into OnPoint (link at the bottom of the page).**
6. **Click on the *Benefit Statements* link (or the *DROP Statements* link for DROP members) in the left panel to view your statements.**

While logged in, you may also want to take advantage of the calculators that will estimate a Service Pension, DROP Entry/Exit or a Public Service Purchase (military or government time). For information about your statements, contact LAFPP:

Active Members – Active Member Services at (213) 978-4522

DROP Members – Retirement Services at (213) 978-4495

Please note: Effective July 1, 2010, semi-annual DROP statements will no longer be mailed. Instead, these statements can be viewed on-line following the steps above.
