

## **Paul Podolsky, Portfolio Strategist**

Paul Podolsky is a Portfolio Strategist at Bridgewater Associates. He is a senior member of the research group with expertise in portfolio structuring and the foreign exchange, interest rate, commodity, and equity markets. Paul is a contributor to Bridgewater's Daily Observations. He also works with Bridgewater's clients to develop investment strategies that meet their objectives and to provide insight into the research group's thinking on global markets and economic conditions. Paul has been with the firm since 2004. Prior to joining Bridgewater, Paul was a Managing Director and head of interest rate and currency strategy at FleetBoston Financial. He was also a regular contributor to National Public Radio and The Wall Street Journal. He received a B.A. from Brown University and a Master's Degree in International Monetary Policy from the Fletcher School of Law and Diplomacy, part of Tufts University and in association with Harvard University.
