DEPARTMENT OF FIRE AND POLICE PENSIONS
MEMBER INFORMATION FOR DESIGNATION OF BENEFICIARY FORM
INSTRUCTIONS FOR TIER 4 ONLY

1. **MEMBER INFORMATION** – This information is required to verify that you are a Tier 4 member. Tier 4 members are generally those hired or rehired on or after July 1, 1997 through December 31, 2001. Call Member Services at (213) 978-4522 if you are not sure of your membership tier.
2. **SPOUSE/DOMESTIC PARTNER** - If you are married, fill in the requested information, providing your spouse's name prior to your marriage. If you have a domestic partner, fill in the requested information. (A domestic partnership is considered established when both partners file a Declaration of Domestic Partnership **with the Department of Fire and Police Pensions**, provided all applicable requirements are met.)

Even if you already filed an Affidavit of Domestic Partnership with the City of Los Angeles Personnel Department, you are still required to file a Declaration of Domestic Partnership with the City of Los Angeles Department of Fire and Police Pensions. **The Affidavit you filed with the Personnel Department is not sufficient for pension benefit purposes.** Contact Member Services at (213) 978-4522 to request information and forms on domestic partnership.

3. **PRIOR MARRIAGES** - Provide the name(s) of any former spouse(s). Write the name(s) your spouse(s) used prior to your marriage. Depending upon how the court disposed of the community property interest in your Plan benefits, your former spouse(s) may be entitled to a portion of any contributions paid from your account upon your death or if you get a refund of contributions. Any interest in your contributions awarded by the court to your former spouse belongs to him/her, not you.
4. **MINOR CHILDREN / DEPENDENT CHILDREN / DEPENDENT PARENTS** - List all natural and adopted children. If you have a child who became disabled from earning a livelihood prior to age 21, list that child as a "Dependent Child." If you have a parent who relies on you for at least half of his/her support, list that parent as a "Dependent Parent." Be aware that additional documentation is required to establish a child as a dependent child and a parent as a dependent parent. Refer to the section "A Word About Documentation."
5. **BENEFICIARY DESIGNATION** - **Please read the following carefully before you designate a beneficiary.** Should you die prior to retirement leaving no one qualified for a pension benefit pursuant to the provisions of Tier 4 and you do not have a beneficiary designation on file with the Plan, your pension contributions will be paid in the following order: first to your surviving spouse or, if none, to your children or, if none, to your parents or, if none of these survive you, to your estate. If, however, you filed a beneficiary designation with the Plan, your contributions would be paid instead to any beneficiaries who survive you. If you are satisfied with the order in which your contributions would be paid as set forth in the Plan, you may not want to complete a beneficiary designation. If your contributions must be distributed and you have a spouse or former spouse(s) with a community property interest in your contributions, the applicable community property portion will be paid to the spouse or former spouse(s) who are entitled to them.

If you are married and want to designate someone other than your spouse to receive your spouse's community property interest in your pension contributions in the event of your death, then your spouse must consent in writing to give up his/her community property interest in your pension contributions (see Spousal Consent/Community Property Waiver below).

Pursuant to Probate Code 5600, the Plan will consider a dissolution judgment entered after January 1, 2002, terminating the marriage, as terminating any prior designation of your former spouse as a beneficiary unless the designation is required by court order or you affirmatively choose to re-designate your former spouse as the beneficiary. If no new designation is provided, because of your former spouse no longer being your beneficiary, your contributions would be paid according to the terms of the Plan.

If you want your domestic partner to receive your contributions, you must designate your domestic partner as your beneficiary. If you want to name a trust as beneficiary, you should name the trustee of your trust –i.e., "Trustee of (insert name of the trust)" –because your beneficiary must be a person. Do not designate the trustee by name because if you change trustees, your designation would no longer be valid.

It is very important once you designate a beneficiary that you keep your beneficiary designation up to date, especially if your situation should change due to a marriage, dissolution, etc. Your beneficiary designation remains in effect until you complete a new beneficiary form.

6. **SPOUSAL CONSENT/COMMUNITY PROPERTY WAIVER** - Keep in mind that all contributions made during a marriage are community property. Your beneficiary designation is only good for your share of your contributions unless your spouse consents in writing that his/her share is also to go to your designated beneficiary. Your spouse does not have to consent to your designation. If your spouse does not consent, then your spouse would be paid his/her community property share in the event of your death and your beneficiaries would receive only your share of your contributions. If your spouse consents to your designation, then he/she waives the right to a community property portion of your contributions. Completion of a new beneficiary form voids any previous spousal waiver. Also, a spousal consent may be revoked by your spouse as provided in Probate Code Section 5031 at any time before, but not after, your death. Note: your spouse's signature on the spousal consent/community property waiver must be notarized or witnessed by a member of Fire and Police Pensions' staff.
7. **SIGNATURE** - Sign and date the form and return it to: Department of Fire and Police Pensions, Member Services Section, 360 East Second St., Suite 400, Los Angeles, CA 90012-4203 or Mail Stop 390.

BASIC DEATH BENEFIT

Your qualified survivors may be eligible for the *Basic Death Benefit*. This benefit is provided if you die from a nonservice-connected death. The Basic Death Benefit consists of: (1) A refund of contributions and accrued interest, and (2) A limited monthly pension, if you had at least one year of service. For every year of service, two monthly payments of one-half of your final average salary are made, not to exceed 12 monthly payments for six or more years of service.

If there is a refund of contributions and you designated as beneficiary someone other than a qualified survivor, the refund of contributions goes to the beneficiary and the limited monthly pension goes to the qualified survivor. However, if there was a qualified surviving spouse, that spouse is entitled to his/her interest in the community property portion of your contributions. The remainder of the contributions is distributed to your designated beneficiary or, if you name multiple beneficiaries, divided equally among your beneficiaries who survive you.

For more information on other forms of death benefits your survivor(s) may be entitled to, please consult your Tier 4 Summary Plan Description.

A WORD ABOUT DOCUMENTATION

Before survivor benefits can be paid, applicable documentation such as marriage, birth, and adoption certificates are required. In addition, guardianship and/or conservatorship documents may be required before payment of benefits to certain dependents. If you are near retirement, you may want to provide us with the background information mentioned above. If you have dependent (disabled) child(ren) and dependent parent(s), contact the Disabilities Section at (213) 978-4500 for information regarding the background documentation needed.

If you have any questions after reviewing this information, please call the Member Services Section at (213) 978-4522.
