TO SERVE THOSE WHO PROTECT

PAPERLESS ANNUAL STATEMENTS!

To reduce costs and the risk of identity theft, starting in 2010, your annual statement will no longer be mailed to you. Instead, we will continue to provide quick and efficient access to your information on-line at www.lafpp.com! A postcard will be sent to you prior to May 2010 letting you know that the 2009 statement can be viewed.

To view the annual statements currently available on-line, take the following steps:

1. **Log onto www.lafpp.com.**
2. **Click on the *Plan Details* link in the left panel.**
3. **Next, click on the sub-link to *Your Personal Information*.**
4. **Read instructions for accessing OnPoint (User ID and Pin).**
5. **Log into OnPoint (link at the bottom of the page).**
6. **Click on the *Benefit Statements* link in the left panel to view your past statements.**

While logged in, you may also want to take advantage of the calculators that will estimate a Service Pension, DROP Entry/Exit or a Public Service Purchase (military or government time).

Please note that at this time, semi-annual DROP statements will continue to be mailed. Contact LAFPP Active Member Services at (213) 978-4522 for information about your annual statement(s).
