

# The Segal Company

## **Paul Angelo, FSA, MAAA, FCA, EA – Senior Vice President and Actuary**

Paul Angelo joined The Segal Company's San Francisco office in 1998 as a Vice President and Actuary and was promoted to Senior Vice President in 2006. Mr. Angelo's areas of expertise include the design and administration of large defined benefit plans, including extensive experience with large public sector plans, public universities and collectively bargained plans.

Mr. Angelo currently serves as valuation actuary for 14 major California county and city retirement systems and associations. His assignments for these systems have included funding policy design and review, pension obligation bond issues and consulting to bargaining parties on benefit design. Mr. Angelo recently completed a variety of studies on contribution volatility management. He is an active participant on the GASB's Postemployment Benefits Accounting and Financial Reporting Project Task Force and also serves as an appointed member of the California Actuarial Advisory panel.

Mr. Angelo has over 30 years of actuarial consulting experience and is active in national actuarial organizations. He has a BS in Mathematics from the University of Notre Dame and an MA in Mathematics from Harvard University. He also holds an MAS from the University of Michigan Graduate School of Business Administration. Mr. Angelo is a Fellow of the Society of Actuaries, a Member of the American Academy of Actuaries, a Fellow of the Conference of Consulting Actuaries, and an Enrolled Actuary. He is an accomplished speaker and has presented to the National Conference of Public Employee Retirement Systems, the National Association of State Retirement Administrators and the National Council on Teacher Retirement, as well as California's statewide public retirement associations.
