Your January 31, 2019 monthly pension check or direct deposit advice had a new look and provided more information about pension earnings and deductions. We have provided a sample of both a pension check and a direct deposit advice for your reference on pages 4 and 5. LAFPP pension payments are now being processed from PARIS, our new pension administration system, which we announced to our members in December.

General Manager's Message

As we begin a new year, it is the perfect time to reflect upon how great 2018 was and how much greater 2019 will be. For LAFPP, 2018 was a good year as the fund's rate of return for the Fiscal Year ending June 30, 2018 was 9.91% and our assets totaled \$22.3 billion!

After many months of collaboration and testing by staff, the January 2019 pension checks were produced by our new Pension Administration System, PARIS. Your monthly pension payments now have a new look. Samples of the new checks and direct deposit advices can be found on pages 3 and 4.

Now that PARIS has been implemented, we are working diligently to update MyLAFPP, your member self-service portal. MyLAFPP will allow both Retired and Active members to log in and view their personalized information. Our goal is to present you with the new MyLAFPP by Spring of 2019. Look for future announcements in your U.S. mail and email inbox.

As always, please do not hesitate to contact us should you have questions regarding your pension benefits or retiree medical and dental plan options.

Pension Payments - New Look *continued from page 1*

On the new pension check/direct deposit advice you will notice the following improvements:

- The earnings, deductions, and adjustments are clearly separated to organize the information and make it easier to understand.
- Medical/dental deductions reflect the “out of pocket” costs paid by you after your subsidy has been applied.
 - The entire premium amount is not displayed. To calculate your medical or dental premium, simply add the out-of-pocket amount from the “Deductions” section to the subsidy amount displayed in the new *Subsidies Paid by LAFPP* box.

NEW ADDITIONS INCLUDE:

- **Subsidies Paid By LAFPP Box**
 - Displays the subsidy amount(s) paid by LAFPP.

– The subsidy amount(s) listed does not increase the member’s pension amount. It is listed for informational purposes only.

- **Summary Table**

– Totals your deductions and adjustments, then adds/subtracts from the gross amount to provide the net payment amount.

- **A reminder for payees receiving checks (not direct deposit)** – The statement, “Void after 180 days from payment date” can be found on the lower section of your check. Checks not cashed or deposited within 180 days will become “stale” and need to be re-issued by LAFPP.

Please call the Retirement Services Section at (213) 279-3125 if you have any questions.

A new MyLAFPP is on the way!

**THE PROJECTED GO LIVE DATE
IS SPRING OF 2019!**

We are working to bring together one online system for all our participants (Active/DROP, Retired, and beneficiaries) to view their personalized information and access services. Previously, we had two separate web portals to access information and services. As a result, the Benefit Payment Passport (BPP) system has been permanently disabled and MyLAFPP will be temporarily disabled (blackout period) until Spring 2019.

For assistance with changes to your address, direct deposit, or tax withholding elections during this blackout period, please complete and sign the forms available from the Retired Members Forms page at www.lafpp.com/members/retired/forms and mail, email or fax the forms to our offices. For more information or services, a list of contact information for the Retirement Services, Medical & Dental Benefits and Accounting Sections are listed on page 19.

In the coming weeks, you will be mailed a personalized identification number (PIN) and instructions on how to register for your new MyLAFPP account. Previous access information for Benefit Payment Passport or MyLAFPP is no longer valid. Be sure to keep your address and email address updated with us.

2019 HEALTH & DENTAL SUBSIDY UPDATES

MEDICARE HEALTH SUBSIDY BENEFIT

A Medicare Health Subsidy is provided to eligible retired members or Qualified Surviving Spouses/ Domestic Partners who are enrolled in both Medicare Parts A and B. Effective January 1, 2019, the maximum Medicare Health Subsidy will remain at \$542.51. The maximum monthly subsidy that you may receive is based on the number of whole years of service at the time of retirement (or DROP entry) as shown in the chart below.

Member's Whole Years of Service	Maximum Medicare Health Subsidy*
20 or more	The lesser of: \$542.51 or 100% of the single-party premium of the participant's health plan.
15 - 19	The lesser of: \$488.26 or 90% of the single-party premium of the participant's health plan.
10 - 14	The lesser of: \$406.88 or 75% of the single-party premium of the participant's health plan.
Less than 10**	No subsidy; Tier 6 retirees see footnote below.

* For members who: (1) entered DROP or retired after July 14, 2011, and (2) did not opt in during the designated period to make the additional 2% pension contributions, the Maximum Medicare Health Subsidy is equal to the July 1, 2011 amount of \$480.41.

** Tier 6 members who retire on a service-connected disability pension with less than 10 years of service may qualify for a minimum health subsidy at age 55 if they are not eligible for a subsidy from any other source.

RETIRED MEMBER DENTAL SUBSIDY BENEFIT

Members who retired with at least 10 years of service, are at least age 55, and who are enrolled in a Board-approved dental plan are eligible for a dental subsidy. The retired member dental subsidy maximum, effective January 1, 2019, will remain at \$44.60 per month. Retired members receive 4% of this maximum for each whole year of service. Qualified Survivors are not eligible to receive a dental subsidy from LAFPP.

QUALIFIED SURVIVOR HEALTH SUBSIDY BENEFITS

A health subsidy benefit is provided to Qualified Surviving Spouses and Domestic Partners (QSS/QSDP). The QSS/QSDP non-Medicare health subsidy benefit that took effect on January 1, 2019 remained at \$853.39 per month. If you are currently receiving a QSS/QSDP pension payment from LAFPP, you may also be eligible for a health subsidy benefit if you meet the following qualifications:

- You must be enrolled in a Board-approved health plan (one offered by Los Angeles Firemen's Relief Association (LAFRA), Los Angeles Police Relief Association (LAPRA), United Firefighters of Los Angeles City (UFLAC) or Fire & Police Pensions) OR participate in the Health Insurance Premium Reimbursement Program (HIPR).
- The sworn member had at least 10 years of service.
- The sworn member received, or was eligible to receive, a health subsidy at the time of death; otherwise, you will be eligible when the sworn member would have been 55 years old.
- The marriage or domestic partnership was effective at least one (1) year prior to the member's retirement or as of the date of the member's service-connected disability or death.

Additionally, the same Medicare enrollment requirements for a retired member's subsidy eligibility also apply to QSS/QSDPs. If you are eligible for both Medicare Parts A and B, you must enroll in both. (NOTE: You are not required to enroll in Medicare Part A if you do not qualify for it premium-free.) We recommend you enroll in Medicare three months prior to your 65th birthday, or when you are first eligible, to ensure the continuance of your health subsidy benefit. If you are eligible for Medicare prior to age 65 (due to a disability), you must notify LAFPP.

Qualified Survivors receiving a health subsidy are eligible for Medicare Part B reimbursement if they are enrolled in Parts A and B

of Medicare. A copy of your Medicare card as well as confirmation of your Part B premium should be submitted to LAFPP to make certain you receive the correct reimbursement amount.

For additional information regarding Health and Dental Subsidies or Program eligibility requirements, please contact the Medical and Dental Benefits Section at (213) 279-3115 or (844) 88-LAFPP ext. 93115. Information is also available in the Retired Members section of www.lafpp.com.

2019 Medicare Part B Reimbursement

Effective January 1, 2019, the standard Medicare Part B monthly premium was increased to \$135.50 by the Centers for Medicare and Medicaid Services (CMS).

Retired members and qualified survivors can receive reimbursement for their standard Medicare Part B premiums if they are eligible for a health subsidy and are enrolled in both Medicare Parts A and B. An individual's total Part B premium may include additional fees that are required by CMS, which are not eligible for reimbursement by LAFPP.

If you recently enrolled in Medicare Part B, you will be reimbursed the new standard monthly premium and do not need to provide any additional documentation.

If you are enrolled in Parts A and B of Medicare and believe you may be eligible for an increase to your monthly Part B reimbursement amount, please respond to the letter dated November 15, 2018, asking you to provide the following:

New Benefit Amount Statement – Lists your new Social Security benefit amount for the following year, details of your

Medicare enrollment, and the amount that will be deducted every month for your Medicare Insurance. Sent by Social Security Administration (SSA) at the end of each year; OR

CMS Billing Statement – If you are not eligible to receive SSA benefits, CMS will send you a billing statement that shows your Part B premium.

Look for the Medicare Part B reimbursement in the "ADJUSTMENTS" box on your LAFPP pension check stub/direct deposit advice. If your current reimbursement amount is different from your 2019 Part B basic premium, please promptly submit a copy of your New Benefit Amount Statement or CMS Billing Statement, as detailed above, to LAFPP and we will update your reimbursement amount. LAFPP can only reimburse members for their basic Part B premiums (i.e., no late enrollment penalties or higher income adjustments charged by CMS). As a result, affected Medicare participants are required to submit proof of any increase to their Part B premium.

Retroactive Reimbursement Payments

You may be retroactively reimbursed for your Part B premiums for up to 12 months if you have been receiving a Medicare Part B reimbursement lower than your basic Part B premiums. To collect retroactive reimbursements, you must submit a copy of the SSA benefits statement you received in 2017 or a copy of the last CMS bill you received in 2018. If you do not have access to either document, you may submit a copy of the most recent tax Form 1099 from SSA, which shows how much you have paid for Medicare insurance in 2018.

All documentation should be sent to the Medical & Dental Benefits Section via fax at (213) 628-7782 or emailed to mdb@lafpp.com. You may also mail a copy to: Los Angeles Fire & Police Pensions, Attn: Medical & Dental Benefits, 701 E. 3rd Street, 2nd floor, Los Angeles, CA 90013.

If you have specific questions about the Medicare Part B reimbursement benefit, please contact the Medical & Dental Benefits Section at (213) 279-3115 or toll free at (844) 88-LAFPP, ext. 93115.

NEW HEALTH AND DENTAL PLAN CONTRACTS

For many years, the administration of health and dental insurance plans for LAFPP retired members and eligible beneficiaries has been provided by the Los Angeles Firemen's Relief Association (LAFRA), the Los Angeles Police Relief Association (LAPRA), the United Firefighters of Los Angeles City (UFLAC), and the Los Angeles Police Protective League (LAPPL) via operating agreements. As of November 1, 2018, formal contracts were established with LAFRA, LAPRA, UFLAC, and LAPPL (collectively, "the Associations"), as the LAFPP Board-approved health and dental plan administrators. With the new contracts in place, for the current enrollment year, previously approved PPO, HMO, or Kaiser plans will continue to be eligible for health and/or dental subsidies paid on a member's behalf.

LAFPP looks forward to a more solidified relationship with the Associations. Throughout the year, the Board of Fire and Police Pension Commissioners (Board) will work with the Associations to meet the contractual obligations agreed upon by all parties. New methods of communication between LAFPP and the Associations will provide tools to advance retiree health and dental benefits, as well as improve opportunities to reduce any disparities among members. As a result, the Board

will be able to provide the appropriate oversight necessary to ensure a fair and affordable healthcare program for you and your family.

One of the most significant anticipated outcomes of the new working relationship between LAFPP and the Associations is increased transparency. LAFRA, LAPRA, UFLAC, and LAPPL have agreed to present annual reports to the Board in advance of the start of each health/dental plan year. These annual reports will include critical information on the health and dental plans that each Association administers, including plan pricing and cost reimbursement, pharmaceutical benefits, plan design, and any premium and administrative fee changes. This timely information will allow the Board to consider and approve each health and dental plan as eligible for subsidies to be paid on behalf of members. All presentations will be provided in an open, publicly-noticed Board meeting so that plan participants can receive additional insight about their medical and dental plan coverage, benefit level changes, and other factors that impact their benefits.

All four Associations are anticipated to present their health and dental plans to the Board by June 30, 2019. If you are interested in attending a future retiree health/dental plan

presentation, please check the LAFPP website at lafpp.com for updates and posted Board meeting agendas.

In cooperation with each Association, for further transparency, LAFPP will also have the opportunity to review claims data. All information shared will be treated with the highest level of sensitivity and confidentiality. First, and foremost, claims data will be aggregated and de-identified to ensure the privacy of members. Secondly, the majority of claims data will be provided in the form of non-individual financial reporting. Ultimately, it is the Board's hope that the provided information will confirm the value of each health and dental plan available to members, explain any inequities among plans, and support the need for any cost increases to participants and the Plan.

LAFPP has contacted each Association and is currently working with LAFRA and LAPRA to begin the claims data analysis process, as specified in their current contracts. LAFPP looks forward to working with the Associations collaboratively and effectively towards the shared goal of providing fair, high-quality, affordable health plans for all LAFPP members and eligible beneficiaries.

Save time with **DIRECT DEPOSIT**

Have you opted to receive your monthly pension payment via direct deposit? Electing direct deposit is a quick and secure way to receive your pension payment electronically and it saves time and transportation expenses from going to the bank. If you plan to start, change or cancel your Direct Deposit, you may do so by downloading and completing a Direct Deposit Form from our website (www.lafpp.com/members/retired/forms) in the Retired Members Forms section.

DIRECT DEPOSIT FORM

Please download and submit a signed Direct Deposit Form to the Retirement Services Section. You may submit your form by mail, email (rs@lafpp.com), or fax to (213) 628-7716. Follow the instructions on the form to ensure that your information is accurate. If you are starting or changing your Direct Deposit information, please include a cancelled or voided check with your form. Depending on when your completed form is received, it may not be processed until the month following receipt.

THINGS TO CONSIDER

- Once you set up your Direct Deposit account, your payment will automatically be deposited on the last business day of each month - see the 2019 Pension Payment Schedule on page 13 for actual dates. However, availability of funds may vary according to your financial institution. Your pension benefit advice

statement will continue to be mailed to the mailing address we have on file; there is no option to remove such mailing.

- When changing your Direct Deposit, we suggest leaving your existing account open until your request has been completed. If your old account is closed prematurely, you will need to wait for our receipt of the returned payment which will delay its reissuance. Please notify the Retirement Services Section immediately to avoid lengthy delays.
- If you are still receiving a paper check in the mail, it can be damaged, delayed (due to bad weather, etc.), lost in the mail, or misplaced. To have your check reissued, you must complete a Lost Check Affidavit and submit it to the Retirement Services Section. Depending on when your affidavit is received, this process can take up to four weeks from the original pay date.

If you have questions regarding your Direct Deposit election, please contact the Retirement Services Section at (213) 279-3125 or by email (rs@lafpp.com).

2018 VALUATION Results

FOR THE FISCAL YEAR ENDING JUNE 30, 2018, ON AN ACTUARIAL BASIS, LAFPP IS 92.9% FUNDED FOR PENSION BENEFITS AND 51.3% FUNDED FOR HEALTH BENEFITS, AN INCREASE OF 1.4% FOR PENSION BENEFITS AND 2% FOR HEALTH BENEFITS. THE COMBINED FUNDED STATUS OF PENSION AND HEALTH BENEFITS IS 86.9%, AN INCREASE OF 1.3% FROM THE PREVIOUS YEAR.

An actuarial valuation is conducted once a year to determine whether the Plan's assets and the employer (which is the City) and member contributions are sufficient to provide member benefits. A

schedule of benefits, membership data, and a set of actuarial assumptions (e.g., life expectancy, inflation, salary increases, etc.) are used to estimate the cost of benefits. The study also includes the calculation of the City's contribution rate for the next fiscal year. The City will contribute an amount equal to: 1) the employer's share of defined entry-age normal costs (designed to fund a member's total plan benefit over the course of his/her career); 2) the percentage necessary to amortize the unfunded liability of the System (the Plan's obligations in excess of the Plan's projected assets); and 3) the amount to provide for health and dental plan subsidies.

The aggregate employer contribution rate (the City, the Harbor Department, and the Airport Department combined) for FY 2019-20 is as follows (assumes payment is made on July 15, 2019):

PENSION BENEFITS – 34.37% of sworn payroll, an increase of 0.3% from FY 2018-19

HEALTH BENEFITS – 12.82% of sworn payroll, an increase of 0.16% from FY 2018-19

Based on the City's, Harbor Department's, and Airport Department's budgeted sworn payroll for FY 2018-19 of \$1.5 billion, the total employer contribution for FY 2019-20 is estimated to be \$702.2 million. The final contribution amount will be determined in late May 2019 when the budget is approved.

2019 ELECTION

POLICE DEPARTMENT RETIRED MEMBER OF THE BOARD

The term of office for Commissioner George Aliano, the current Retired Police Member of the Board of Fire and Police Pension Commissioners (Board), ends on June 30, 2019. The Office of the City Clerk, in conjunction with Los Angeles Fire and Police Pensions (LAFPP), will conduct an election on April 23, 2019, to fill that position. All retired, sworn members of the Los Angeles Police Department are encouraged to participate. The candidate elected will serve a five-year term that begins July 1, 2019 and ends June 30, 2024.

BOARD MEMBER DUTIES

The Board exercises the prudent person standard in the discharge of its duties. It has sole and exclusive fiduciary responsibility to administer the Fire and Police Pension System (System) and its assets; has the authority to set and adopt investment policies for over \$22 billion in fund assets; and has the duty to establish actuarial assumptions and adopt rules and regulations necessary to properly fund and administer the System.

Preparation for regular and special meetings requires a Commissioner to commit several hours of advance reading of

Board Reports and disability pension cases. The Board normally meets on the first and third Thursdays of the month at 8:30 a.m. The duration of most meetings is from two to four hours.

CANDIDATE PROCESS

Beginning February 19, 2019, the Office of the City Clerk began mailing notification of the election, including Notice of Intent to run for office, to all eligible members. Candidates who wished to qualify for the ballot were required to complete and submit the Notice of Intent to the Office of the City Clerk beginning March 6, 2019,

between the hours of 8:00 a.m. – 5:00 p.m. The Notice of Intent had to be received by mail or in person by the Office of the City Clerk – Election Division by 5:00 p.m. on March 15, 2019.

VOTING PROCESS

After the candidates are determined, ballots will be mailed to eligible voters beginning March 27, 2019. To be counted, all completed ballots must be received by mail or in person by the Office of the City Clerk – Election Division by 5:00 p.m. on April 23, 2019. The ballots will be tallied on April 25, 2019 in the presence of the observers designated by each candidate.

Members retiring or exiting DROP within 30 days before the election may vote by obtaining a “Certificate of Eligibility to Vote” from LAFPP. Eligible members will present the certificate when casting their ballot at the City Clerk – Election Division during the 7-day period immediately prior to the election and no later than 5:00 p.m. on the day of the election. Those active members still in DROP are not eligible to vote in the retired Board member election.

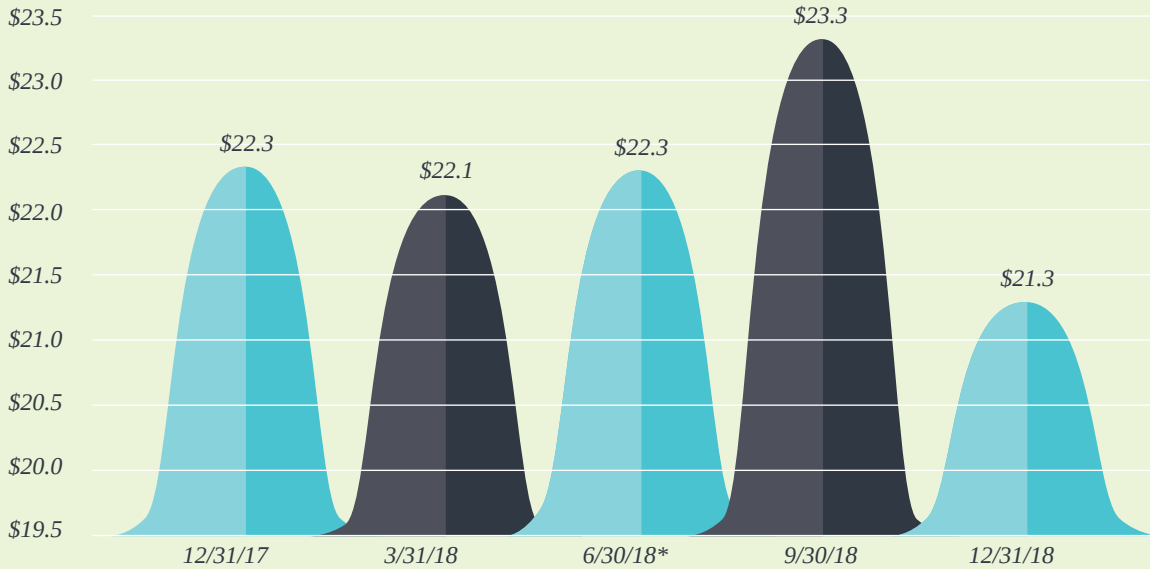

Inquiries regarding the election process may be directed to the Office of the City Clerk – Election Division at (213) 978-0440 or the Administrative Services Section of the Department of Fire and Police Pensions at (213) 279-3080.

THE BOARD OF FIRE AND POLICE PENSION COMMISSIONERS Elects New Officers

Corinne T. Babcock
President

Adam Nathanson
Vice President

Each year in July, the Board of Fire and Police Pension Commissioners elects its Officers of the Board to serve a one-year term. On July 19, 2018, the Board elected **Corinne T. Babcock as President and Adam Nathanson as Vice President.**

Prior to the election of officers, the Board discussed revising the election policy to ensure all members had an opportunity to serve as an Officer of the Board by granting seniority ranking to nominees. The previous board policy emphasized that the position of President should rotate each year between appointed and elected commissioners.

On September 6, 2018, after receiving public comment, the Board unanimously approved a motion to change the Board Governance Policy. Based on these changes, the Board elected officers again with the same result. This policy language, which was formally adopted by the Board on September 20, 2018, stated:

- Members of the Board shall not serve more than one term consecutively as President or Vice President,
- The President is prohibited from being elected to the Office of Vice President immediately upon completion of their term as President, and
- Members of the Board shall decide those positions by majority vote.

Congratulations to Commissioners Babcock and Nathanson!

SPECIAL ELECTION RESULTS

POLICE DEPARTMENT EMPLOYEE MEMBER OF THE BOARD

LAFPP welcomed Commissioner Paul M. Weber, the Police Department Employee Member of the Board of Fire and Police Pension Commissioners! On October 4, 2018, Commissioner Weber was sworn-in at the Board meeting to fulfill his fiduciary responsibilities as a Board member.

On August 28, 2018, a special election was held to fill the vacancy created by former Commissioner

Robert von Voigt, who resigned from the Board effective September 30, 2018, as a result of his retirement. Commissioner Weber won a plurality of the votes cast in the special election and will serve the remaining 17 months of a 5-year term ending June 30, 2020.

Commissioner Weber is a 34-year-veteran of the Los Angeles Police Department and currently serves as a Captain at the Devonshire Station.

Captain Weber has a strong background in public safety labor management issues. For 11 years, he was a Director with the Los Angeles Police Protective League, representing pension matters among many others, on behalf of over 9,900 dedicated and professional sworn members of the Los Angeles Police Department. For several years, he also served as the Union President.

Welcome Commissioner Weber and congratulations on your election!
