2022 Health and Dental Subsidy Updates

As another year comes to an end, we reflect on the improvements made to the ways we provide services to our members. With the success of virtual services and enhancements to the MyLAFPP online member portal, we look forward to continuing to serve our members in new and innovative ways. We are sensitive to your individual preferences and will offer our services both in-person as well as virtually in order to meet your needs.

I am also excited to report that for the Fiscal Year ending June 30, 2021, on actuarial basis, LAFPP is 96.8% funded for pension benefits and 64.7% funded for health benefits, an increase of 3.6% and an increase of 5% respectively over the prior year. These positive results were primarily due to our very favorable investment return of 32.56% for the fiscal year that ended on June 30, 2021.

We look forward to another great year and as always, if you have any questions regarding your retirement benefits, please do not hesitate to contact us.

Respectfully,
Ray Ciranna
General Manager
A Medicare Health Subsidy is provided to eligible retired members or Qualified Surviving Spouses/Domestic Partners who are enrolled in both Medicare Parts A and B. The monthly subsidy that you may receive is based on the number of whole years of service at the time of retirement (or DROP entry) as shown in the chart below.

¹ For members who: (1) entered DROP or retired after July 14, 2011, and (2) did not opt-in during the designated period to make the additional 2% pension contributions, the Maximum Medicare Health Subsidy is equal to the July 1, 2011 amount of $480.41.

² Tier 6 members who retire on a service-connected disability pension with less than 10 years of service may qualify for a minimum health subsidy at age 55 if they are not eligible for a subsidy from any other source.

**Retired Member Dental Subsidy Benefit**

The maximum retiree dental subsidy, effective January 1, 2022, will remain at $44.60 per month. Retired members are eligible for a dental subsidy if they have at least 10 years of service, are at least 55 years old, and are enrolled in a Board-approved dental plan. Retired members with 25 or more years of service are eligible for the maximum subsidy, and retired members with between 10 and 24 years of service receive 4% of this maximum for each whole year of service.

Note: Qualified Survivors are not eligible to receive a dental subsidy from LAFPP but are allowed to remain in or enroll in a Board-approved dental plan.
Qualified Survivor Non-Medicare Health Subsidy Benefit

The non-Medicare health subsidy maximum for Qualified Surviving Spouses/Domestic Partners (QSS/QSDP) will increase from $853.39 to $900.24, effective January 1, 2022.

If you currently receive a survivorship pension payment from LAFPP, you may also be eligible for a health subsidy if the following qualifications are met:

- You must be enrolled in a Board-approved health plan offered by:
  - Los Angeles Firemen’s Relief Association (LAFRA)
  - Los Angeles Police Relief Association (LAPRA)
  - United Firefighters of Los Angeles City (UFLAC)

Note: You may also be eligible to receive a health subsidy if you participate in the Health Insurance Premium Reimbursement (HIPR) Program (see HIPR article on page 8 for details).

- The sworn member completed at least 10 whole years of service; and
- The sworn member received, or was eligible to receive, a health subsidy at the time of death, otherwise, you become eligible when the member would have been 55 years old.

If you receive a survivorship benefit pursuant to a purchase made by the retired member under the Survivor Benefit Purchase Program for Retirees, you are not eligible for a health subsidy.

Medicare Part B Reimbursement

The Centers for Medicare and Medicaid Services (CMS) has announced the new standard Medicare Part B monthly premium for 2022 is $170.10. However, some pensioners will pay less than this amount.

- If you are a new Medicare Part B enrollee in 2022, you will be reimbursed the standard monthly premium of $170.10 and do not need to provide additional documentation after you have submitted a copy of your Medicare card.
- If you are currently receiving a Medicare Part B premium reimbursement and would like to update your reimbursement amount for 2021 or 2022, you must provide proof of your basic Part B premium for either year.

Proof of Premium

The amount you pay for Medicare Part B is shown on the following documents provided to you by the Social Security Administration (SSA) or CMS:

- “New Benefit Amount” Annual Notice from SSA
- Notice of Medicare Premium Payment from CMS
- Quarterly Billing Statement from CMS

Reimbursement Eligibility

Retired members and Qualified Surviving Spouses/Domestic Partners can receive reimbursement for their standard Medicare Part B premiums if they are eligible for a health subsidy and are enrolled in both Medicare Parts A and B. If you are enrolled in a Board-approved health plan, your reimbursements will be automatically included in your monthly pension payment. If you are enrolled in a state-regulated health plan (e.g., through your spouse or another employer), you may also receive a quarterly reimbursement of your Part B premiums by participating in LAFPP’s Health Insurance Premium Reimbursement (HIPR) Program.

**IMPORTANT**: You must maintain your Medicare enrollment to remain eligible for subsidy benefits. LAFPP does NOT make payments to SSA or CMS on your behalf for any Medicare premiums. LAFPP can only reimburse members for their basic Part B premium (e.g., no late enrollment penalties or income-related monthly adjustment amounts (IRMAA) charged by CMS).

Retroactive Reimbursement for 2022

You may be retroactively reimbursed for your Part B premiums for up to 12 months if you have been receiving a Medicare Part B reimbursement that is lower than your basic Part B premium. To claim retroactive reimbursements, you may submit a copy of your tax Form 1099 from SSA, which shows how much you have paid for Medicare in 2021. You may also submit a copy of the SSA benefits statement you received in 2022 or a copy of the last CMS bill you received in 2022. All documentation should be sent to the Medical & Dental Benefits Section via fax at (213) 628-7782 or emailed to mdb@lafpp.com. You may also mail a copy to: Los Angeles Fire & Police Pensions, Attn: Medical & Dental Benefits, 701 E. 3rd Street, 2nd floor, Los Angeles, CA 90013.
Timely enrollment in Medicare is critical to maintain your health subsidy eligibility. Social Security Administration provides a seven-month window to enroll in Medicare, which includes the three (3) months before, and after, the month you turn 65. LAFPP recommends that you enroll in Medicare as soon as you are eligible. If you enroll in Medicare during the three (3) months before you turn 65, you will ensure your continuous eligibility for a health subsidy and prevent any loss of subsidy or late enrollment penalties charged by CMS. If your Medicare Part B is not in effect by the month you turn 65, you could irreversibly lose your subsidy benefit for that month and any following month that you are not enrolled in Medicare.

When you are eligible for Medicare and you wish to receive a retiree health subsidy benefit, you must enroll to the fullest extent of your Medicare entitlement. This means you must enroll in Part B and pay a monthly premium to CMS. You must also enroll in Part A, but only if you receive it for free (i.e., you should NOT pay any premium for Part A coverage). Your Part B coverage will be effective one month after you enroll in Medicare.

If you wait until the month you turn 65 to enroll in Medicare, your LAFPP health subsidy will be discontinued for that month, and payment of the subsidy will not resume until you are fully enrolled. Please be aware that if you wait to enroll in Medicare the same month you turn 65 or during any month after turning 65, lost subsidies cannot be paid retroactively, Social Security Administration may charge you a permanent late enrollment penalty, and you may be required to wait until the next annual Medicare open enrollment period.

To assist you in this process, LAFPP will send you a reminder at least 3 months prior to the date you turn 65, along with information regarding Medicare enrollment. You can also expect to receive information from your health plan administrator (LAFRA, LAPRA, UFLAC) and/or the Department of Health and Human Services/Social Security.

For additional information regarding Medicare, please visit their website at www.medicare.gov or contact Social Security Administration at (800) 772-1213.
Questions? If you would like more information about LAFPP’s Health and Dental Subsidy Program, including eligibility requirements, Medicare Part B Reimbursements, or the HIPR Program, please contact the Medical & Dental Benefits Section at (213) 279-3115, (844) 88-LAFPP, or via email to mdb@lafpp.com. Information is also available in the Retired Members section at www.lafpp.com.
Accessing Your Health Subsidy Through The Health Insurance Premium Reimbursement Program

IF you are looking for another way to access or maximize your eligible subsidy benefit, the Health Insurance Premium Reimbursement (HIPR) Program may be a possible solution. HIPR is available to you if you meet the eligibility requirements to receive a health subsidy, even if you reside within the state of California or are enrolled as a dependent on your spouse or domestic partner’s health plan. (Subsidy eligibility requirements can be found on page 6.) With an approved HIPR claim, you can be reimbursed for up to your maximum eligible health subsidy benefit.

Most pensioners enroll in a health plan offered by the Los Angeles Firemen’s Relief Association, the Los Angeles Police Relief Association, or United Firefighters of Los Angeles City (collectively referred to as “Association plans”). By enrolling in a Board-approved Association plan, you can expect to have your eligible health subsidy applied automatically towards the monthly premium and these transactions are reflected directly on your monthly pension direct deposit advice/check stub.

Depending on your situation, it may not be possible or practical for you to enroll in an Association health plan. Although you may have access to a Board-approved health plan, it is also possible that you:

- Have access to health insurance through another employer;
- Have access to group health insurance through your spouse or domestic partner;
- Prefer to enroll in a non-Association health plan due to cost or place of residency; or
- Are not required to pay for your health insurance and are eligible for a Medicare Part B reimbursement.

These are some of the most common reasons why you might consider the HIPR program. If you are enrolled in a subsidized group health plan through your spouse/domestic partner or employer, you may have a premium balance for which you are responsible. If you have a limited subsidy, you may be able to find an individual health plan that better meets your financial situation. If you permanently reside outside of the United States and cannot take advantage of a Board-approved plan, you may still participate in HIPR.

LAFPP requires participants to be enrolled in a state-regulated health plan, which ensures you will have comprehensive medical coverage. HIPR participants living outside the U.S. must provide proof of comprehensive medical coverage. It is important to make sure your desired health plan will qualify for the HIPR program by contacting LAFPP prior to enrolling. Please note that you cannot be reimbursed for dental or standalone vision insurance premiums through the HIPR program. Dental subsidies are only available to retired members enrolled in an Association-sponsored dental plan.

If you would like more information regarding the HIPR program, please contact the Medical and Dental Benefits Section at (213) 279-3115, (844) 88-LAFPP, or via email to mdb@lafpp.com. Related HIPR forms and guidelines can also be found at www.LAFPP.com.
NEW IRS TAX WITHHOLDING FORM
W-4P FOR 2022

The IRS has created a new Form W-4P that will be used for requesting any federal tax withholding changes beginning in 2022. The new Form W-4P will be posted on the IRS’ website, as well as on www.lafpp.com when it becomes available.

PLEASE NOTE: Since the IRS has not yet finalized the new Form W-4P, the form will be optional for 2022 once the IRS makes it available. You may continue to use the current LAFPP Tax Withholding Form until the new W-4P is made available on our website. The following summary of changes is based on the latest draft FORM W-4P that was shared by the IRS on November 5, 2021:

**SUMMARY OF CHANGES FOR IRS FORM W-4P**

1. You may now select one of the following marital status options:
   - Single or Married filing separately
   - Married filing jointly or Qualifying widow(er)
   - Head of household
2. Captures income from multiple jobs/pensions/annuities
3. Claim dependent and other credits
4. Default withholding is now Single with no adjustments (changed from Married with three (3) allowances)

If you live in California and wish to change your state tax withholding election after the new W-4P is implemented by LAFPP in 2022, you will need to submit a separate state tax withholding form. While not directly related to the new Form W-4P, you may notice a difference in the federal taxes withheld due to the change in 2022 tax brackets.

**IMPORTANT NOTE:** The former LAFPP tax withholding form (which combined state/federal withholdings) will no longer be accepted once the new Form W-4P is published by the IRS and implemented by LAFPP in 2022. We will announce the availability of the new W-4P on our website once it is implemented next year.

Commissioner Sumi Parekh Appointed to the Board

LAFPP welcomes Commissioner Sumi Parekh, a newly appointed member of the Board of Fire and Police Pensions. Commissioner Parekh was appointed by Mayor Garcetti and confirmed by the City Council on September 14, 2021, to serve the remaining term ending June 30, 2024, for the seat vacated by former Commissioner Corrine T. Babcock. This is Commissioner Parekh’s first appointment to the Board of Fire and Police Pension Commissioners.

Commissioner Parekh is also the Executive Director for the Group Effort Initiative (GEI), an organization that exists to create a pipeline for members of the BIPOC and other marginalized communities to get real experience towards a lasting career within the entertainment industry; a member of Reimagine L.A. County, a coalition of advocates, community organizations and neighbors continuing to push Measure J investments; and a board member for LA Collab, an unprecedented effort to connect Latinx talent, executives, and creators to opportunities in the entertainment industry – and double Latino representation in Hollywood by 2030.

Prior to her role at GEI, Ms. Parekh worked for Mayor Garcetti and served as the Executive Officer to the Deputy Mayor of Economic Development. In this role, she served as a thought partner for the Deputy Mayor, helped to execute the Mayor’s strategies for economic development, and served as a day-to-day manager for the Office of Economic Development staff.

Ms. Parekh also served as Director of the Business Team; Program Manager for the Mayor’s Fund for Los Angeles; Director of Legislative Affairs and Programs at the Los Angeles Business Council; and as an actuarial consultant with Mercer and Towers Watson.

Welcome Commissioner Parekh and congratulations on your appointment!
LAFPP welcomes Brian J. Churchill, the Police Department Employee Member-elect, to the Board of Fire and Police Pension Commissioners! Mr. Churchill will be sworn-in during January 2022 to fulfill his fiduciary responsibilities as a Board member beginning February 1, 2022.

Commissioner Paul M. Weber will be stepping down from the Board of Fire and Police Pension Commissioners (Board) as the Police Department Employee Member effective January 31, 2022. As Commissioner Weber’s term was scheduled to expire on June 30, 2025, this leaves an unexpired term of forty-one (41) months. In accordance with Section 23.102.10(a) of the Los Angeles Administrative Code, the Board authorized the Office of the City Clerk to conduct a Special Election on Tuesday, November 16, 2021, to fill the upcoming vacant seat for the remainder of the unexpired term. The candidate receiving a plurality of all votes cast is then declared elected as the Police Department Employee Member of the Board.

Mr. Churchill received 53.07% of the vote, a majority, and as such is elected to serve the unexpired term of the Police Department Employee Member of the Board beginning February 1, 2022 through June 30, 2025.

Welcome and congratulations Commissioner Churchill!
