About LAFPP

LAFPP, one of three pension systems in the City of Los Angeles, is a defined benefit, single-employer pension plan operating under the provisions of the Los Angeles City Charter and Administrative Code. The Plan is governed by a nine-member Board of Commissioners (Board) made up of five members appointed by the Mayor and four members elected by the active and retired system participants. LAFPP administers the pension funds of all sworn (fire, police and certain port police and airport police) employees of the City. It has been in existence since 1899.

Each active LAFPP member belongs to one of five pension plans, referred to as “Tiers” (Tier 1 consists only of retired members and beneficiaries). The following table lists the status of Tiers 2 through 6 as of the last Fiscal Year ending June 30, 2018:

Tier	Total Members	Average Annual Salary	Average Years of Service	Average Age
2	8	\$144,944	39.9	63.9
3	712	\$124, 146	23.9	51.0
4	265	\$125,672	22.1	47.3
5	9,526	\$123,157	18.5	45.5
6	2,851	\$ 85,362	2.4	29.4

Tier Plan Information

Copies of Los Angeles Fire and Police Pensions 2018 Annual Report and Summary Plan Descriptions for each tier are available on our website, www.lafpp.com. Refer to the Appendix for information regarding a Summary of Pension Plan Provisions (Appendix 6.5), Pensions Retirement Formula (Appendix 6.6), Years of Service Percentage Chart (Appendix 6.7), and Years of Minimum Requirements to retire (Appendix 6.8).

Deferred Retirement Option Plan (DROP)

DROP is an *optional voluntary* program that allows members eligible for retirement to work as an active employee while accumulating service pension payments in a DROP account. DROP participants are considered “retired” for purposes of pension calculations only; for all other purposes participants are considered active members of their respective employing departments.

- Participation in DROP is up to a maximum of 60 months (5 years), at which time participants are required to terminate sworn employment with the Fire, Police, Harbor, or Airport Department
- Members are eligible to join DROP if they are an active:
 - ❖ Tier 2 or Tier 4 member with at least 25 years of service;
 - ❖ Tier 3, Tier 5 or Tier 6 member with at least 25 years of service and at least 50 years of age
- The decision to participate in DROP is irrevocable. (Members may rescind their DROP election up to the day before their DROP entry date. After the DROP entry date, members cannot exit DROP without terminating employment.)
- Monthly pension payment is held in an account with a guaranteed interest rate of 5% per annum
- Participants entering DROP after January 31, 2019 must serve at least 112 hours on “Active Duty Status” in a given month or they are not eligible for pension accrual/DROP account deposit for that month.
- Participants can take distributions of their accumulated DROP account balance as either a lump sum, a direct rollover into another tax-qualified account, or a combination of a partial lump sum distribution and rollover. Upon exiting DROP, members begin to receive their monthly pension benefit.

Deferred Compensation Plan of the City of Los Angeles

The City's Deferred Compensation Plan is a governmental plan defined by Section 457(b) of the Internal Revenue Code, commonly called a 457 deferred compensation plan. Deferred compensation allows eligible employees to supplement any existing retirement/pension benefits by saving and investing either pre-tax or post-tax dollars through voluntary salary deferral. Contributions and any earnings are tax-deferred until money is withdrawn at retirement, when the retiree is typically in a lower tax bracket than while working. Investment options are offered through separately managed accounts and mutual funds. The City's Deferred Compensation Plan is currently administered by the City's Personnel Department through Voya Financial, not by LAFPP.
