Important Federal Tax Election Notice
You have the right to elect not to have withholding apply to your pension, or to certify that you are exempt from Federal withholding. An election not to have withholding apply will remain in effect until you revoke it, which you may do at any time. You may elect not to have withholding apply or revoke a prior election not to have withholding apply by completing, signing and returning an Income Tax Withholding Form. Contact LAFPP for an Income Tax Withholding Form or visit www.lafpp.com. If you elect not to have withholding apply, or if you do not have enough Federal income tax withheld from your pension, you may incur IRS penalties under the estimated tax rules.
