Los Angeles Fire & Police Pension System

1.0 - ETHICS RESPONSIBILITIES FOR BOARD MEMBERS, THE GENERAL MANAGER, AND STAFF

- 1.1 A. Purpose of the Policy: The purpose of establishing a comprehensive Ethics Policy is to allow Commissioners to have a single point of reference with guidelines governing their behavior to avoid a real or perceived conflict of interest or violation of the City Governmental Ethics Ordinance (Los Angeles Municipal Code (LAMC) Chapter 4, Article 9.5), State ethics laws or Mayoral Executive Directives. (Amended 06/04/15 and 9/20/18)

This policy is designed to be a series of sub policies that may be expanded or modified as ethics laws are changed or as additional situations which might result in real or perceived conflicts of interest arise.

- B. Definition of Staff: For the purpose of this policy, staff is defined as persons and positions that are designated in the System's Conflict of Interest (COI) Code as having influence over the decision making processes of the System, which includes Attorneys in the Public Pensions General Counsel Division of the City Attorney's Office. (Amended 06/04/15 and 08/06/20)

- 1.2 Modifications to Disclosure Requirements: Consultants/New Positions are included in the list of the Department's designated positions and shall disclose pursuant to the broadest disclosure category in the COI Code, subject to the following limitation:

The General Manager may determine in writing that a particular consultant, although a "designated position," is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements in Schedule A. Such written determination shall include a description of the consultant's duties and, based on that description, a statement of the extent of disclosure requirements. The General Manager's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code. (Government Code Section 81008.) (Amended 9/20/18)

- 1.3 Mandatory Ethics and Fraud Awareness Training: Pursuant to the City's Governmental Ethics Ordinance (LAMC Section 49.5.15), all Board members are required to complete ethics training at the time of entering City service and once every two years thereafter. All full-time City employees are required to complete on-line training for fraud awareness at the time of entering City service and once every two years thereafter. (Amended 06/04/15)

- 1.4 Divestment and Recusal Notification Requirements: Charter Section 707 requires that Board members divest any investment, interest, or source of income that results in a significant and continuing conflict of interest. In order to achieve compliance with Charter Section 707, Executive Directive 2005-1 requires that

**Ethics Responsibilities for Board
Members, The General Manager, and Staff**

Board members disclose, to the Office of the Mayor and the City Ethics Commission, any conflicts by completing and submitting a recusal notice for any matter which they are disqualified from participating, or would have been disqualified from participating had they been in attendance. (Amended 06/04/15)

- 1.5 Timely and Complete Filing of All Disclosure Forms: State and City law require that all Board members, the General Manager and staff complete disclosure forms, such as the Statement of Economic Interest and City-related business disclosures. Such disclosures are required upon assuming office, upon leaving office, and annually. The City Ethics Commission notifies designated staff of their filing requirements. The Department's Ethics Liaison notifies the General Manager of the status of the filing of all required forms. Late filing or failure to complete the required forms may result in a fine or other corrective action taken by the City Ethics Commission, Fair Political Practices Commission, and/or the Office of the Mayor. (Amended 07/17/14, 06/04/15, and 9/20/18)
- 1.6 Commitment to a Code of Ethics: Executive Directive 2005-1 requires all appointed Board members and the General Manager to sign a Pledge committing to a Code of Ethics upon assuming office. (Amended 06/04/15)
- 1.7 Review Departmental Conflict of Interest Code: In accordance with Executive Directives 2005-1 and 2006-7 the Board is responsible for reviewing and adopting the Departmental Conflict of Interest Code by July 31, every even-numbered year. (Amended 07/17/14 and 06/04/15)
- 1.8 Cooperation with Ethics Commission Investigations and Enforcement: All Board members, the General Manager and staff are required under Executive Directive 2006-7 to fully cooperate with any investigations conducted by the City Ethics Commission by responding promptly, completely and candidly to any inquiry they may receive for documents, information, or testimony. Further, Board members, the General Manager and staff are directed to report in a timely manner potential wrongdoing within the Ethics Commission's jurisdiction. (Amended 06/04/15)

Approved: 08/02/07; Amended 07/17/14, 06/04/15, 09/20/18 and 08/06/20.

**LOS ANGELES FIRE AND POLICE PENSION (LAFPP) COMMISSIONERS:
COMMUNICATION WITH CONSULTANTS AND ADVISORS**

- 1.9 Consistent with the City Charter and the California Constitution, Board members are expected to discharge their duties "with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with these matters would use in the conduct of an enterprise of a like character and with like aims." (Charter Section 1106(c))
- 1.10 To properly fulfill these duties and stay current with best practices in pension system governance, Board members must seek to educate themselves on an ongoing basis.

This education takes place in the Board room, in conversations with professional staff, and in meetings with consultants and advisors at conferences or other

**Ethics Responsibilities for Board
Members, The General Manager, and Staff**

events.

- 1.11 In meetings Board members have with consultants and advisors, outside the Board setting, Board members must exercise common sense, balancing their need for education with the need to comply with ethics laws seeking to have Board decisions be transparent and made in open session.
- 1.12 To promote our desire to educate, and at the same time to comply with the Governmental Ethics Ordinance (LAMC Section 49.5.11), in discussions with advisors and consultants away from Board meetings, Board members should avoid conversations that reasonably might influence that Commissioner's decisions related to a current contract or possible future contract with the Fire and Police Pension System. (Amended 06/04/15)

Approved: 08/02/07; Amended 06/04/15.

GIFTS

- 1.13 The Governmental Ethics Ordinance and the California Political Reform Act regulate the solicitation and receipt of gifts by City Officials. A gift is anything you receive that gives you a personal benefit for which you do not provide consideration of equal or greater value (California Political Reform Act). Certain exceptions apply. Please refer to California Government Code Sections 18940, 18941 and 18942 for the complete definition. (See Appendix A and LAMC Section 49.5.8 for more information regarding Gifts) (Amended 06/04/15)

Acceptance of Gifts (Including Gifts of Travel):

Under the provisions of both the California Code of Regulations, Title 2, Section 18940 et seq., and the Governmental Ethics Ordinance (LAMC Section 49.5.8), a gift, including travel payments may be deemed a gift to the City agency rather than a gift to the individual City official and therefore not subject to restrictions, if certain requirements are met. Gifts accepted by an individual are subject to the reporting requirements of the California Code of Regulations and the LAMC. (Amended 06/04/15)

Although State and local laws permit gifts of travel to the System, if a third party offers to pay for some or all of the travel expenses associated with a particular conference, seminar or meeting, the Board shall decline the offer. However, the Board may consider authorizing attendance at the particular conference, seminar or meeting at the System's own expense if such attendance would be beneficial to the System.

Other monetary gifts to the system, such as stock, may be accepted under the following conditions:

- A. The Fire and Police Pension System receives and controls the payment.
- B. The gift becomes an asset of the System (i.e. a trust asset).
- C. The System appropriately memorializes the gift in a written public record, identifying the nature, amount and any terms of the gift.

The Chief Accounting Employee shall maintain entries for all gifts in the

**Ethics Responsibilities for Board
Members, The General Manager, and Staff**

appropriate accounting ledger.

Adopted: 03/01/01; Amended: 11/18/04, 07/06/06, 08/17/06, 07/12/07, 08/02/07, 08/16/07 and 06/04/15.

SOLICITATION OF CONTRIBUTIONS

- 1.14 A. Fiduciaries of LAFPP are prohibited from soliciting, directing, or receiving any contribution from any person who is engaged in business for gain, seeking to engage in business for gain, or who has a proceeding pending before the Board of LAFPP Commissioners or has had such a matter pending during the preceding 12 months. (Amended 06/04/15)
- B. All LAFPP contracts shall include a requirement that contractors disclose if contributions are solicited by a LAFPP fiduciary. (Amended 06/04/15)
- C. Definitions for the purposes of this policy:
- 1) "Fiduciary" is defined as a member of the Board of LAFPP Commissioners, executive and senior management staff.
 - 2) "Person" means a natural person or business entity of any type, and includes all directors, partners, officers and agents of such business entity.
 - 3) "Business for gain" is defined as any contract for goods or services, and any investment related contract.
 - 4) "Proceeding pending" means all ministerial, administrative and legislative matters, potential contracts, current contracts and expired or terminated contracts for a subsequent period of 12 months. (Added 10/29/1998) (Amended 06/04/15)

Adopted: 03/01/01: Amended: 09/06/01, 10/16/03, 09/10/04, 07/12/06 and 06/04/15.

MARKETING CESSATION (INVESTMENT CONTRACTS)

- 1.15 The purpose of this policy is to prevent, and avoid the appearance of, undue influence on the Board or any of its members in the award of all contracts.

Notification of this policy will be sent to all firms considered by Staff or the Consultant to be interview candidates. From the time the search begins with the Board's approval of the minimum criteria for the search until the search ends with the selection of the firm(s) to receive the contract(s), all direct marketing contact with firms that meet the search criteria will be limited to meetings with the Consultant, information sent to the Consultant or Department, questions about the search directed to the Staff or Consultant, one meeting at the Department's office with Staff and any site visits. The Board members, Department Staff or Consultant will accept no entertainment or gifts of any kind from any firm qualifying for the search. This policy does not prohibit contact with potential interview candidates at group social events, educational seminars, conferences, or charitable events so long as there is no direct marketing. (Amended 06/04/15)

**Ethics Responsibilities for Board
Members, The General Manager, and Staff**

During the three months prior to the renewal of a contract with a firm currently under contract, the Board Members, Department Staff and Consultant will accept no entertainment or gifts from that firm until the contract has been renewed or terminated by the Board. Firms who currently have contracts with the Los Angeles Fire & Police Pension System are allowed to continue contact related to the existing contract with Staff and the Consultant.

Firms that are invited to interview with the Board, at the time of the interview, will be required to submit a Contact Statement. This Contact Statement shall list all contacts with Board members and Consultants during the three-month period prior to the interview or during the search period, whichever is longer.¹

The City's Governmental Ethics Ordinance (Section 49.5.11.A) states:

"Except at a public meeting, a member of a Board or Commission shall not participate in the development, review, evaluation, or negotiation of or the recommendation process for bids, proposals, or any other requests for the award or termination of a contract, amendment, or change order involving that board, commission, or agency. This does not preclude the efforts of individual members from reviewing documents and other information provided by agency staff when preparing for a public meeting at which the matter will be considered." (Amended 06/04/15)

Any violation of this policy shall result in automatic disqualification of the bidding firm.

Adopted: 02/07/02; Revised: 01/04/07; 09/03/09, 03/03/11 and 06/04/15.

See also Investments Policy.

REVIEW

1.17 This Marketing Cessation policy shall be reviewed by the Board annually in July, beginning July 2008. (Amended 06/04/15)

1.18 CONTRACTOR DISCLOSURE POLICY

A. PURPOSE

It is the policy of LAFPP for Contractors to disclose conflicts of interest - actual, potential and perceived.

¹See section 1.18.G.2.e of the Ethics Policy, also referred to as the Contractor Disclosure Policy.

**Ethics Responsibilities for Board
Members, The General Manager, and Staff**

The goal of this Policy is to prevent impropriety or the appearance of impropriety, to provide transparency and confidence in LAFPP's decision-making process, and to help ensure that investment and procurement decisions are made solely on the merits of the goods or services proposed to be provided by Contractors to LAFPP.

This Policy sets forth the circumstances under which LAFPP requires the full and timely disclosure of ex parte communications with, relationships with, and payments to, entities such as placement agents, third party marketers, lobbyists and other Intermediaries. This Policy is intended to apply broadly to all contractors with whom LAFPP conducts business.

This Policy shall apply in addition to, and is intended to supplement, any applicable state and city ethics, campaign finance, and lobbying laws found in the City's Charter, Governmental Ethics, Lobbying and Campaign Finance Ordinances, the California Political Reform Act, and the California Constitution. Unless otherwise specified or required by the context, all terms used but not defined herein shall have the same meanings ascribed to them in **Appendix A**.

The Board recognizes that the flow of communication through staff between contractors or consultants and Board members is beneficial to the conduct of system business. However, there are instances wherein contractors or consultants may have ex parte communications directly with Board members. In those instances where the contact reasonably might give the appearance of being an attempt to influence the outcome of a Board or staff decision or consultant recommendation, the Board recognizes that there might be the potential for misunderstanding, misinformation, or conflicting instructions, and therefore reasonably could be interpreted as inappropriately affecting the Board, staff, or consultant. Such communications do not always rise to the level of "undue influence" as defined in this policy, but nevertheless are subject to disclosure.

B. APPLICATION AND EXCLUSIONS

1. APPLICATION

This Policy applies to LAFPP's application, selection, and monitoring processes regarding Contractors. It is applicable to all Contractors who participate in the selection process for the award of an LAFPP contract. This policy also applies to all agreements with Contractors that are entered into after July 23, 2009, the date this Policy is adopted. Additionally, this Policy applies to existing agreements with Contractors if, after the date this Policy is adopted, (a) the term of the agreement is extended, (b) there is any increased commitment of funds by LAFPP pursuant to the existing agreement or (c) there is an amendment to the substantive terms of an existing agreement, including the fees or compensation payable to the Contractor to the extent that LAFPP's consent is required. (Amended 10/05/17)

2. EXCLUSIONS

The following contracts are excluded from this Policy:

- (1) Contracts in the amount of \$20,000 or less and for not more than a one-year period for which the General Manager has authority to approve service agreements, pursuant to Administrative Code section 10.1.1 and as authorized by the Board pursuant to Board Governance Policy 9.18.B.

**Ethics Responsibilities for Board
Members, The General Manager, and Staff**

Such Contractor Miscellaneous Contribution Disclosures shall include contributions made during the twenty-four month period prior to Board approval of a new agreement or investment, or extension of or amendment to an existing agreement, or an increase in funding of an existing investment commitment. For private equity partnerships, including general partners, disclosure information for the prior twenty-four month period shall be provided at the time the Board considers a new or additional investment in a private equity fund. 2.0 FISCAL ADMINISTRATION

BUDGET

- 2.1 The General Manager's preliminary budget including the City's contribution for the ensuing fiscal year shall be presented to the Board and to the Mayor, CAO and Controller prior to April 1 of each year. The Board shall review the budget prior to final determination. Following Mayor and Council approval of the final budgets of the Police and Fire Department, and the Harbor and Airport Commission approval of their respective final budgets, the Board shall adopt a final budget for the Department of Fire and Police Pensions including the City's (General and Special Fund) contribution no later than June 30 of each year. Should the Harbor and/or Airport Commission adopt a final budget that impacts their contribution to LAFPP, the General Manager shall inform the Board and the Commission(s) of the adjusted contribution amount. (Revised 09/06/18 and 08/06/20)

EXCESS BENEFIT PLAN CREDIT

Pursuant to Internal Revenue Code (IRC) Section 415, the annual retirement benefit an individual can receive from a qualified benefit plan is limited by an amount established every calendar year by the Internal Revenue Service (IRS). LAFPP is responsible for paying the benefit amount up to the annual limit, while the remaining amount over the limit is paid by the City's General Fund through the Excess Benefit Plan (EBP).

The actuary determines the System's liability without regard to IRC Section 415 limits. Accordingly, on May 6, 2010, the Board authorized a credit for the amount budgeted for the EBP to be applied against the City's annual contribution amount. The credit shall be reflected yearly on the LAFPP annual budget.

The credit to the City's General Fund contribution shall not affect the determination of future City or member contributions. (Added 09/06/18)

INTRA-DEPARTMENTAL FUND TRANSFERS

As first authorized by the Board on June 21, 2018, the General Manager may modify the departmental administrative expense budget appropriations through intra- departmental fund transfers, commensurate with the transfer limit adjusted annually and released by the City Administrative Officer [Section 343(b)(c)]. The General Manager will report the adjusted amount to the Board annually as soon as it is available. (Added 09/06/18; Amended 08/06/20)

TRAVEL AND EDUCATION POLICY

- 2.2 The Fire and Police Pension System (System) is a public trust, and the administration of the System is subject to strict fiduciary responsibilities under trust law. In accordance with the City Charter and Article XVI, Section 17 of the California Constitution, the Board has sole and exclusive fiduciary responsibility

for the assets of the System and administration of the System in a manner that will assure prompt delivery of benefits and related services to members of the System and their beneficiaries. The California Constitution also provides that the System assets are held in trust and must be used for the exclusive purposes of providing benefits to System members and their beneficiaries and defraying reasonable expenses of administering the System.

The Board recognizes there is a delicate balance between a fiduciary's need to become well informed on issues and topics that might have an impact on the trust and the fiduciary obligation to manage trust assets at a reasonable cost and for the exclusive benefit of the beneficiaries. It is the Board's policy that Trustee travel done on behalf of the System be undertaken in a manner consistent with its fiduciary obligations and in consideration of the public perception of the traveler as a representative of both the System and the City of Los Angeles.

By requiring that the trust assets be managed with the same care, skill, prudence and diligence as would be by other large institutional pension fund managers, the Board's fiduciary standard mandates that Trustees and staff maintain a knowledge base that keeps them as informed as their peers. The complexities of sound management of the assets and liabilities of the System impose a continuing need for Board members and staff to attend business meetings, professional and educational conferences, seminars, and other events that are required to conduct System business or that will better prepare them to perform their fiduciary duties.

It is the desire and intention of the Board to ensure that all Board members and staff receive current benefit, financial and policy information. Travel is considered an appropriate expenditure of the System's funds when the travel falls within any of the following categories:

- A. The Board authorizes one or more Board members and staff to conduct specific business or attend a specific event; or,
- B. The Board authorizes one or more Board members and staff to attend seminars, conferences or education classes where the attendee's ability to carry out his/her duties as a trustee of the System will be materially enhanced, including speaking engagements where a Board Member or Staff can enhance his/her knowledge through participation at the event.

Additionally, since one of the obligations of the Board is to defray reasonable expenses of administering the System and that pension assets are used to pay for the administrative expenses of the System, it is the responsibility of the Board to authorize only reasonable and prudent expenses.

For purposes of the travel policy, staff travel includes travel by staff from the Public Pensions General Counsel Division of the City Attorney's Office. (Amended 08/06/20)

CONTINUING EDUCATION

- 2.3 In order to enhance the ability of individual Board members and staff to carry out their fiduciary responsibilities, to increase understanding of all aspects of the

System and to stay abreast of changes in federal/state laws and regulations, Board members and staff are encouraged to attend educational meetings, conferences and seminars. Board members are encouraged to attend at least two (2) educational meetings, conferences or seminars each fiscal year. However, attendance shall not exceed a maximum of six (6) educational meetings, conferences or seminars each fiscal year, excluding the one-day Trustee Roundtable sponsored by CALAPRS. Board members should use their best efforts to avoid conflicts with dates of scheduled meetings of the Board and ad hoc committees on which the Commissioner sits. (Amended 11/03/16)

BUSINESS RELATED TRAVEL

- 2.4 Board Members or staff may be required to travel for business reasons, which might include, as an example, sitting on an advisory board for a limited partnership in which the retirement system is invested. Business related travel may also include due diligence related to retirement system administration. Due diligence normally is a staff function. However, there may be circumstances where it would be desirable for Board Members to be included in the due diligence process.

APPROVAL OF TRAVEL

- 2.5 Requests to travel to a pre-approved (included in the budget) conference, seminar, etc. shall be submitted to the Board as a consent agenda item. An estimate of the total travel expenses and other information concerning the conference, seminar, etc. shall be included on the agenda.

Requests to travel to a conference, seminar, etc. not previously approved in the budget shall be submitted to the Board for action on the regular agenda provided the conference or seminar contains an average of five (5) hours of substantive educational content per full day.

ATTENDANCE

- 2.6 It is understood that any Board member or staff who is authorized to travel on retirement business accepts the responsibility to attend and participate in the conference, seminar, etc. In the event that a retirement representative fails to attend as expected, the Board may require the representative to reimburse any expenses to the System. However, if, for a valid reason as determined by the approving authority, the person who has received travel authorization is unable to attend the event, he/she may request reimbursement of unrecoverable or nonrefundable costs such as cancellation fees and forfeited deposits.

Authorization to attend client conferences organized or sponsored by a single company or firm shall be restricted to those conferences sponsored by firms who maintain a professional relationship with the System.

No more than four (4) Board members will be authorized to attend a conference or seminar, which is not open to the public, or to conduct a site visit unless the City Attorney's Office has been consulted and advises that attendance by a quorum of Board members will not cause a violation of the Brown Act.

TRAVEL EXPENSES - COST CONTROL

- 2.7 It is the policy of the Board of Fire and Police Pension Commissioners that travel by Trustees and staff to seminars and conferences is achieved in a reasonable, cost effective and practical manner. The levels of expenditures should be reasonable, taking into consideration the particulars of the location of the conference or seminar, the residence of the person traveling and the work or other schedule of the person traveling. Given the nature and often-immediate need to complete the travel for due diligence site visits, expenditures should be reasonable given the circumstances.

APPENDIX 1 - GUIDELINES FOR TRAVEL AND PERSONAL EXPENSES

INTRODUCTION

All travel on behalf of the System must be in a manner consistent with the fiduciary responsibilities of the Board members and staff. Those who travel in the performance of official System business are expected to only incur expenses that a reasonable and prudent person would incur if traveling on personal business. The following guidelines for travel and personal expenses have been established to ensure that LAFPP is vigilant of their fiduciary duty with regard to the expenditure of LAFPP Plan assets.

LAFPP travel will be in accordance with the Board's adopted travel policy since under the City Charter, the Board has control over trust fund assets, including independent contracting authority for administrative expenses, such as travel (California Constitution Section 17 of Article 16 and Los Angeles Charter Section 111).

A. GENERAL GUIDELINES

1. A copy of the Travel and Education Policy including the Guidelines for Travel and Personal Expenses will be provided to new Board members and staff before processing their first travel request.
2. All expenses claimed for reimbursement must be itemized on the Personal Expense Statement (PES - Form General 16).
3. The traveler is responsible for verifying all charges on receipts before making payment. Charges made in error will not be reimbursed.
4. Travel Approving authority for:
 - the Board Members and the General Manager shall be the Board President;
 - the Board President shall be the Vice President; and
 - the staff shall be the General Manager.
5. All Personal Expense Statements (PES) will be reviewed by the Chief Accounting Employee for compliance with the System's travel guidelines before a payment is authorized.
6. Travel reimbursements are subject to Internal Revenue System (IRS) rules on taxable and non-taxable reimbursements. Travel reimbursements are reportable as taxable income if the IRS considers them to be 'lavish and extravagant'. Per the IRS, an expense is not considered lavish and extravagant if it is reasonable based on the facts and circumstances. If these LAFPP guidelines are followed, travel reimbursements will not be considered lavish and extravagant and therefore not taxable.

7. All reimbursement of travel expenses of outside contractors and individuals other than System staff will be in accordance with LAFPP travel policy limits and restrictions.

B. DEFINITION OF TRAVEL

1. The IRS considers an individual traveling if:
 - a. The duties require the individual to be away from the general area of the individual's primary residence substantially longer than an ordinary day's work; and
 - b. The individual needs to sleep or rest to meet the demands of work while away from the primary residence.

Many governmental entities, including the City, follow the "50-mile" rule. Under this rule, travel reimbursements will be made only if the destination is farther than 50 miles both from an individual's primary residence and work location, unless one of the circumstances below applies.

"50-mile" Rule Exceptions

Travel reimbursement may be allowed when the travel destination does not meet the "50-mile" rule under any one of the circumstances listed below with documentation of the specific circumstance and pre-approval of the travel and estimated expenses as delineated in Section A.6. *Use of this rule should be noted as an exception on the Personal Expense Statement (PES) documents.*

- Conference/meeting start (not check-in) time is before 8 a.m. or end time is after 6 p.m.
- Traveler who does not normally drive to work and public transportation is not available to arrive in time for, or leave after conference/meeting.
- Traveler needs to arrive before 8 a.m. to host the event, set up for the event (e.g. exhibit booth), or leave after 6 p.m. to pack up.

C. TRANSPORTATION TO DESTINATION AND BACK

1. AIR TRAVEL

- a. Air travel may be used when it is the most efficient means of travel. Air travel shall be at coach or economy fare. When the airfare receipt shows an upgrade to business or first class accommodation, the traveler shall include a statement that there was no additional cost to the System. When using air travel, the traveler should book the most economical flight that is reasonably available, taking into consideration the cost of ground transportation, business schedule, flight duration, reasonable hours of departure and arrival, personal safety and health.

To the extent possible, all System travelers should utilize the City authorized business travel service provider for all City business-related travel. Currently the City is using the State of California Department of General Services (State) travel agency contract with TravelStore to maximize savings. The

State, in conjunction with TravelStore, has established a website dedicated for government travel, www.caltravelstore.net. Additionally, dedicated TravelStore agents can be reached at 1-877-454-TRVL (8785).

Actual travel booking requires a TravelStore access ID and a valid travel authority (TL) number and can be made by either using the self-service online system or by calling TravelStore after the travel request is approved by the traveler's approving authority. Travelers should use the online system to make travel reservations whenever possible, since the transaction fee is less than agent-assisted reservations. Airfare for travels booked with TravelStore will be billed to the City's American Express Card and will be paid by the System monthly. Personal credit cards are not an acceptable payment option for TravelStore.

System payments for airfare through TravelStore are considered a travel advance. Travelers are responsible for canceling airline reservations if the trip is canceled or postponed, and obtaining a copy of their non-transferable credit for future use with TravelStore.

System travelers may use other travel service providers under the following conditions:

- The traveler is willing to use his or her personal credit card to book the flight or other mode of transportation (reimbursement for airfare charged to a personal credit card will be made when the PES is processed by Accounting); and
 - Sufficient proof is provided that the airfare is equal to or lower than airfare available at TravelStore at the time of booking. Print out of fares from TravelStore services as the proof for fare comparison.
- b. Fees paid for the first checked baggage will be reimbursed. Fees for additional checked baggage may be reimbursed if a justification for an official business need is provided.
 - c. Coupons or promotional mileage credits earned by the traveler during the course of System business travel may be used for System or personal business consistent with Federal and City travel standards. The traveler will not be reimbursed for such coupons or promotional mileage credits used for System's travel.
 - d. The cost of air flight insurance is not eligible for reimbursement.
 - e. Acceptable documentation for airfare shall include the airfare receipt (such as "passenger ticket", invoice, itinerary, "e-ticket" or confirmation) and proof of payment (such as credit card receipt or statement or a screen print of the e-ticket confirmation indicating payment by credit card).

2. PERSONAL VEHICLE

- a. Use of this alternative mode of transportation in lieu of air travel must be pre-

approved by the traveler's approving authority, except when the destination is an adjacent county since air travel is generally not the most economical or convenient. Adjacent counties include Orange, Riverside, San Diego, San Bernardino, Ventura, Kern, Santa Barbara, and San Luis Obispo.

- b. When used as an alternative mode of transportation in lieu of air travel, allowable costs shall be the lower of (i) the mileage costs eligible for reimbursement (based on the annual standard car mileage allowance determined by the IRS) plus reasonable and economical parking charges or (ii) the economy airfare cost plus reasonable roundtrip transportation costs (i.e., the lowest transportation cost reasonably available under the circumstances) to and from the airport and hotel destination.

Mileage cost reimbursement for the Board will be based on total miles from home to official destination and back (map print-out documentation is required). Mileage cost reimbursement for staff will be based on the distance in excess of home to City office for travels during work days; for other days, reimbursement will be based on total miles from home to official destination and back (map print-out documentation is required).

- c. Additional travel time and expenses (such as meals and lodging) incurred in choosing other than the fastest and most direct mode of transportation must be on the traveler's own personal time and expense.
- d. Since mileage reimbursement is in lieu of transportation expenses incurred by the traveler, claims for repairs, replacements, towage, gas and car insurance are not reimbursable.
- e. Personal automobiles used for business purposes must have a minimum level of vehicle liability insurance as follows:
 - \$25,000 injury to or death of one person; and,
 - \$50,000 injury to or death of more than one person: and,
 - \$5,000 property damage for any one accident.

Automobile Insurance Coverage Information and the Waiver and Release of Liability and Assumption of Risk Acknowledgment for Automobile Rental and Use of Personal Vehicle forms completed by Board members will be maintained by the Commission Executive Assistant and that of staff will be maintained by Accounting.

3. GROUND TRANSPORTATION

- a. Ground transportation refers to transportation from home to airport, airport to hotel and/or conference/meeting/seminar location, and back. The least expensive or most practical form of ground transportation shall be used, taking into consideration such factors as time, availability, and personal safety or health.

Transportation cost in acquiring meals is not considered ground transportation.

- b. Receipts are required for reimbursement of ground transportation costs. If a receipt is not available for public transportation, documentation of the fare must be provided (e.g. print the fare from the official website).
- c. Reimbursement for a private car or limousine service shall be limited to no more than the cost of a taxi (<http://www.taxifarefinder.com/>) or shuttle (<http://www.shuttlefare.com/>), whichever is lower.
- d. Automobile rental is allowable if it is less expensive or more appropriate for the efficient conduct of System business than the use of taxi or bus. Pre-approval by the traveler's approving authority is required. Written justification is needed.
- e. The traveler will not be reimbursed for the cost of any insurance offered by the auto rental company in connection with a rented vehicle used within the United States. Car rental insurance costs required in countries outside of the United States may be claimed for reimbursement.
- f. Personal vehicle used as an alternative mode of ground transportation in lieu of shuttle or taxi to and/or from airport, taking into consideration such factors as time, availability of shuttle or taxi, personal safety and health, allowable costs shall be mileage reimbursement cost plus reasonable and economical parking charges. Mileage reimbursement from use of personal vehicle to and from the airport will be reimbursed at the current IRS mileage rate. Board member's mileage will be computed based on the total miles from home to airport and back (map print-out required). Mileage reimbursement for staff will be computed based on the distance in excess of home to City office for travels during regular work day or when compensated; for other days, if not compensated, computation will be for total miles from home to airport and back if not compensated (map print-out is required).
- g. Parking
 - 1. Reimbursement for airport parking shall be for actual amount not to exceed \$20.00 per day. Reimbursement in excess of \$20.00 per day requires a justification based on time, availability, and personal safety or health; subject to the approval of the approving authority.
 - 2. Actual receipt is required as documentation showing the date, time in/time out, and amount.

D. MEALS AND INCIDENTAL EXPENSE (M&IE) & LODGING PER DIEM

Per Diem is the allowance for meals and incidental expenses (M&IE) and lodging (excluding taxes). Travelers shall use the Federal per diem rates for the travel destination as the maximum allowance on M&IE and lodging (with noted lodging exceptions below). The destination per diem rates travelers should use are:

- Domestic Travel
 - Within the Continental U.S.: U.S. General Services Administration (GSA) (taxes are not included on lodging rates). Rates are available on www.GSA.gov. Select “Per Diem Rates” and enter destination to find daily rate.
 - Outside the Continental U.S., non-foreign such as Hawaii and Alaska: Department of Defense (DOD) (taxes are not included on lodging rates) – see www.defensetravel.dod.mil/site/perdiemCalc.cfm or go to www.gsa.gov and there is a link below the map to the site. Use the amounts under “Maximum Lodging” and “Local Meals” columns. “Local Meals” is for three meals and incidentals.
- International Travel
 - State Department for travel to foreign countries (taxes are included in the lodging rates). Rates are available on www.aoprals.state or go to www.gsa.gov and there is a link below to the map to the site. Select “Foreign Per Diem Rates by Location” and enter destination to find the rates. Use “Maximum Lodging Rate” and “M&IE Rate columns”.

1. MEALS & INCIDENTALS EXPENSE (M&IE) ALLOWANCE

- a. For domestic travel, traveler will be reimbursed at an amount not to exceed the Federal per diem rate for the destination U.S. city. Per IRS Publication 463, M&IE includes:
- Fees and tips to porters, baggage carriers, bellhops, hotel maids/servants and others; and
 - Meals (including gratuities or service charges, such as room service delivery)

Pursuant to IRS rules, the M&IE allowance will be prorated at 75% of the destination per diem rate:

- On first and last days of travel regardless of departure and/or arrival times; or
- When lunch and/or dinner is provided at the conference (If only breakfast is provided, a traveler can receive 100% M&IE allowance).

No meal allowance will be paid when all meals are provided by the host or at the conference. However, a claim for a meal allowance may be considered provided a justification is submitted and pre-approved by the traveler’s approving authority.

- b. Pursuant to IRS, travelers should not be reimbursed for meals for day trips or travel without lodging since the IRS definition of travel requires an individual to sleep or rest to meet the demands of work and therefore, the reimbursement will have to be reported as taxable income. Tracking and reporting reimbursements without lodging creates an administrative burden for the City, LAFPP and the traveler.

- c. Pursuant to IRS, M&IE Reimbursements may be reimbursed for the destination per diem limit without receipts (IRS Per Diem Substantiation Method).
- d. M&IE in excess of the set domestic allowance or International Federal per diem allowance will not be reimbursed.

2. LODGING

- a. Reimbursement will be for actual hotel expenses not to exceed the total of the applicable Federal per diem rate (plus fees and taxes, if applicable) for the travel destination and length of stay for the individual traveler, with exceptions discussed below.
- b. Exceptions to the lodging federal destination per diem rates: Individuals must consider transportation costs, time and other relevant factors in selection of the most economical or practical accommodations when attending official System business functions. This does not preclude an individual from staying in a hotel where the meeting or convention to be attended is held provided that the selected hotel is one of the “authorized” or “sponsor” hotels of the conference or convention and has the most economical rate.

A traveler may elect to stay in a hotel not included in the authorized or sponsored hotel by the conference or convention provided the alternative hotel costs the same or less. The reimbursement will be limited to the actual hotel costs incurred.

For any official System travel where there are no designated hotels (e.g. training, due diligence trips, meetings with investment managers, etc.), the traveler should select the most practical and economical lodging rate taking into consideration the proximity of the selected place to conduct the official System business, traveler’s safety, time and transportation costs and other relevant factors. If the lodging exceeds the IRS per diem rate for the destination city and month of travel, expenses may be reimbursed provided that such expenses have been pre-approved by the traveler’s approving authority, as reasonable and proper and incurred in the pursuit of System business.

Reimbursements for hotel rates in accordance with the above guidelines are not considered to be exceptions to the LAFPP guidelines; therefore, exception notation on the PES documents is not required.

- c. A traveler who shares a hotel room with one or more family members will be reimbursed only at the single room rate (documentation from hotel or the hotel’s room rates listing is required) plus applicable taxes and charges.
- d. Acceptable documentation shall include original itemized hotel marked “Paid in Full” or showing a zero balance; otherwise, proof of payment is also required.

E. GRATUITIES

In accordance with the Los Angeles Administrative Code Section (LAAC) Section 4.242.3(h), gratuities not exceeding 15 percent are allowable where reasonable and customary. System guidelines for reasonable gratuities given to waiters (up to 15 percent of the restaurant bill exclusive of taxes, except when the gratuity percentage is required and the amount is added on the bill by the service provider), taxicab drivers (up to 15 percent of fare) and suggests the following tipping guidelines for other service personnel: porters (\$1 per bag), bell hops (\$1 to \$2 per bag), housekeeping (\$1 to \$2 per day). Gratuities are included in the IRS definition of "incidental" expenses and are therefore subject to per diem limits.

F. LAUNDRY SERVICE

Laundry service, including dry cleaning, is allowable when the duration of the trip exceeds four consecutive nights, or when warranted by traveling conditions or other circumstances.

G. REGISTRATION, SEMINAR OR MEETING FEES

The original or a copy of the registration form reflecting the mode of payment must be submitted with the PES if paid by the traveler. Whenever time permits, it is encouraged that the registration fee be paid by the System directly to the conference sponsor.

H. OTHER EXPENSES & EXCEPTIONS

1. Other travel expenses are allowable when deemed necessary in the conduct of System business provided such expenses are reviewed and certified by the traveler's approving authority as reasonable, proper, and incurred in pursuit of System business. Otherwise, these expenses become personal expenditures.
2. Other expenses and exceptions to these guidelines may be approved, but must be noted on the Travel Request Form and the PES. Also, a Justification Form and appropriate documentation will be required by the Traveler and must be approved by the traveler's approving authority.

I. INTERRUPTED AND INDIRECT TRAVEL

When there is an interruption or deviation from the direct travel route or travel days, whether for the traveler's personal leave or for convenience, expenses allowable will not exceed those that would have been incurred for uninterrupted travel utilizing the direct travel route or travel days. Reimbursement will be at the cheapest cost. Supporting documentation showing the cost for direct travel and the deviation should be provided by the traveler.

J. NON-REIMBURSABLE TRAVEL EXPENSES

Any expenses of a purely personal nature are non-reimbursable. This includes items such as luggage, toiletries, health club charges, unapproved car rental and other expenses not required for the conduct of System business; repairs (including towing

charges) for personal vehicle; flight and/or vehicle insurance; expenses for persons other than employee; alcoholic beverages; rental of video movies or pay-per-view at the hotel; and entertainment. (Amended 11/03/16)

K. PERSONAL EXPENSE STATEMENT (PES) & DOCUMENTATION OF EXPENSES

1. Personal Expense Statement (PES - Form Gen. 16) and all related expense documentation (receipts, print outs, etc.) must be completed and submitted by the traveler to the Department's travel coordinator within ten (10) days of the conclusion of the trip or at the next scheduled Board meeting, whichever is later. This will allow timely processing within thirty (30) days of the conclusion of the trip. See Table I for a complete listing of receipts and documentation required per expense category.
2. Staff are required to prepare a brief memo to the General Manager that summarizes the nature and purpose of the travel and describes the significant information gained and/or benefits accruing to the City. This memo is due 30 days from the completion of travel but can be submitted after submission of the PES. Staff will not receive his/her travel reimbursement until the approved memo is submitted to Accounting.
3. Board members are encouraged to complete a conference evaluation form to assist in the evaluation of conferences for future recommendation to the Board.

L. TRAVEL ADVANCE REQUEST

1. Travel advance amounts will be limited to the daily lodging and M&IE allowance. Travel advances are limited to 90% of the total travel estimate, less airfare and registration. No travel advance will be issued for any amounts less than \$500. Registration and airfare charged to the traveler's personal credit card will be processed upon the approval of the PES when the trip is completed. Travel advances are subject to Controller approval.

To obtain a travel advance, approved travel requests must be submitted to Accounting at least fifteen (15) business days before the date of travel. The request must include a statement certifying that the traveler has no outstanding cash advances.

Requests for a cash advance, including exceptions to the travel advance limit, must be approved by the traveler's approving authority.

2. Regular travel advances will be released no earlier than one (1) week before travel.
3. Travel advances will not be processed for traveler(s) with a delinquent (over 30 days old from end of last trip) PES.
4. In accordance with IRS Federal, State, Local Government Taxable Fringe Benefit Guide, outstanding travel advances not accounted for and delinquent over 120 days will be:

- included as part of an employee's W2 wages on the first payroll period of the subsequent calendar quarter following the end of the 120 calendar days; or reported in the IRS Form 1099-Misc for non-City employees.

Nothing herein eliminates the traveler's obligation to return to the Fund any excess monies that were received that were not used for approved travel expenses.

5. **Advanced Payment for Cancelled Travel** – Any amount paid by the System in advance of travel, including TravelStore purchases, is considered an advance. In the event of the need to cancel the trip, the traveler is responsible for notifying all payees as soon as possible to avoid/minimize cancellation fees. Unrecovered amounts are reported as taxable income to the traveler.

M. COMPENSABLE TIME

Staff should refer to the 2003 City of Los Angeles Travel Time Employee Bulletin to determine whether their travel time is compensable. Overtime compensation should be avoided to the extent possible. Staff should include the request to be compensated in the travel request subject to General Manager's pre-approval.

N. COMPLIANCE UNDER IRS ACCOUNTABLE PLAN RULES

These guidelines and reimbursement procedures are designed to conform to the "Accountable Plan" rules of the IRS to avoid reporting reimbursements as taxable income subject to withholding and payment of employment taxes (IRS Publication 463). These guidelines are not intended to result in taxable income to the Traveler if the rules herein are followed. To comply with the Accountable Plan, LAFPP and travelers must meet all three of the following rules:

- There is a business connection to the travel expenditures;
- There must be adequate accounting of the expenditures, through the PES and appropriate receipts, by travelers within a reasonable period of time; and
- Excess reimbursements or advances must be returned to the System within a reasonable period of time. Excess reimbursements not returned or in the case of advances, amounts paid in excess of the substantiated expenses, are required to be reported to the IRS as taxable income.

Los Angeles Fire & Police Pension System

3.0 - PENSION PROCESSING

APPLICATIONS AND DOCUMENTATION

- 3.1 All pension applications shall be filed in writing on forms prescribed by the Department of Fire and Police Pensions. Applicants shall be responsible for furnishing all required documents needed to process and verify pension eligibility. Pensioners, surviving spouses and legally appointed guardians/conservators of pension beneficiaries shall be responsible for notifying the Department of Fire and Police Pensions of any change of status which affects pension eligibility. Failure to provide required documentation or cooperate with processing requirements shall be the basis for denial of an application or suspension of pension payments.

DEFERRED RETIREMENT OPTION PLAN (DROP)

3.2 CREDITING OF INTEREST

DROP accounts shall earn interest in the amount of 5%, compounded annually (i.e., compounding at 12-month intervals following a member's DROP entry date – 13th, 25th, 37th, 49th month). Interest will be calculated each month using a monthly factor of 0.004167 (1/12 of 5%), applied to the prior end of month inception-to-date deposits balance. Interest will be credited to member accounts semi-annually on June 30 and December 31. For members exiting DROP between the semi-annual interest-crediting dates, the account shall be credited with the monthly interest earned as of the exit date. (Amended 07/02/20)

3.2.1 ACTIVE DUTY STATUS

Effective November 1, 2008, in addition to the age and/or service requirements to enter DROP, a member must also be on active duty status on the DROP entry date. For purposes of this provision active duty status shall include members working on light-duty status, but exclude members on sick, vacation, injured-on-duty, administrative leave, and all other types of non-working status.

- A. The City Administrative Officer has been authorized to classify payroll codes as "active" or "not active" for the purposes of DROP.
- B. At least one of the prescribed active duty payroll codes must be recorded on a member's timesheet on their DROP entry date.
- C. Verification of active duty status shall be made using the City's payroll system (PaySR) at the time of entry.
- D. In the event a member elects a DROP entry date and is not on active duty status on the DROP entry date as defined above, the member's DROP entry date will automatically be advanced to the next qualifying entry date. The revised entry date will not be subject to further adjustment by the

member. The DROP Program Administrator shall notify the member of the approved DROP entry date in writing.

3.2.2 REVOCATION OF DROP ENROLLMENT

A member may revoke participation in DROP by submitting a DROP Revocation Notice (hereafter, "the Notice") in-person, by email, or by facsimile no later than the day prior to the DROP entry effective date. The Notice must be received before the close of LAFPP's regular office hours, or if emailed or faxed, by 11:59 p.m. The effective date of revocation shall be established upon receipt of the Notice and signature thereupon by LAFPP administrative staff. The member is responsible for confirming timely receipt by LAFPP. If the member does not revoke his/her application for DROP as specified above, the DROP agreement will become final and binding, and thereafter be irrevocable. (Amended 05/21/15 and 07/02/20)

3.2.3 DISTRIBUTION OF DROP ACCOUNT

A member shall receive a distribution of the funds in his/her DROP account as either: (a) a lump sum cash payment, (b) a direct rollover to a qualified plan, or (c) a combination lump sum payment and direct rollover to a qualified plan. Members may not leave a portion of their DROP account on deposit with LAFPP.

The DROP Distribution Election Form must be completed and returned to LAFPP no later than 90 days following the member's DROP exit date; otherwise, the member will receive distribution as a single lump sum taxable cash payment. A member may directly rollover the taxable portion of his/her DROP distribution to only one eligible financial institution. Members may not rollover any non-taxable DROP funds unless they also rollover all of their taxable DROP funds. A member may directly rollover the non-taxable portion of his/her DROP distribution to only one eligible financial institution.

For members exiting DROP on or after January 1, 2014 who complete and return the DROP Distribution Form no later than 90 days following the member's DROP exit date, the member may recover his/her pre-1987 after-tax basis entirely from the lump sum DROP distribution. Any post-1986 after-tax basis will be allocated pro-rata between the lump sum DROP distribution and the member's ongoing monthly pension annuity. (Section added 12/19/2013)

AUTHORITY OF BOARD AND GENERAL MANAGER

- 3.3 The General Manager shall present to the Board all eligible pension applications. The Board as a ministerial act shall approve all properly qualified service pension and surviving spouse applications. On August 7, 2003 the Board adopted Resolution 04008 delegating authority to the General Manager to perform this function. The General Manager's actions are reported to the Board at the next subsequent Board meeting. The General Manager shall adopt procedures for the submission, verification and withdrawal of applications and shall determine whether applicants meet the qualifications specified in the Charter and Administrative Code.

- 3.3.1 The Board has delegated authority to the General Manager to adjust the effective date of a Declaration of Domestic Partnership, provided the following criteria are met:
- A. The Member completes LAFPP's Declaration of Domestic Partnership prior to his/her retirement effective date or DROP entry date; and,
 - B. The Member makes a written request to accept the filing date with the Personnel Department, Employee Benefits Office's (EBO) or the Los Angeles City Employees' Retirement System (LACERS) as the effective date of the Domestic Partnership; and,
 - C. Staff has verified with the EBO or LACERS the following: a) the date that the parties filed an Affidavit of Domestic Partnership with the EBO or LACERS; b) the fact that this partnership has not been terminated subsequent to the filing date.

If the General Manager determines that any of the above criteria is not met, then the matter will be referred to the Board along with staff's analysis and recommendation. (Section added 11/15/12, Amended 10/19/17)

- 3.3.2 In the event a retired member receives benefits from more than one of the City of Los Angeles' defined benefit plans, and their combined benefit exceeds the applicable Internal Revenue Code (IRC) section 415(b) limit, the plans must coordinate when limiting the combined benefit. Pursuant to Administrative Code Section 4.1906(s), the Board has delegated authority to the General Manager to enter into agreements with the Water and Power Employees' Retirement Plan and/or the Los Angeles City Employees' Retirement System and to create the administrative rules necessary to facilitate different manners for reduction of benefits in order to comply with IRC section 415(b). (Section added 03/21/19)

DISABILITY APPLICATION PROCESS

- 3.4 The Board shall conduct hearings on disability pension applications. Active Members have the option of having their hearing conducted in open or closed session, either of which must be specifically requested in writing by the applicant/representative. Should no completed election form be received by staff by the due date, the hearing will be conducted in open session. For Closed Session hearings, all witnesses must be excused from the room until their testimony is needed, and family members, the general public and non-essential Staff are prohibited from attending. Open sessions will be open to the general public but the Board may request that witnesses wait outside the hearing until called to testify. In order to expedite the hearing process, the Board may appoint a hearing examiner to conduct preliminary hearings as it deems necessary. The applicant has the burden of proof as to the existence of disability. (Amended 01/18/18)
- A. The General Manager shall provide all relevant evidence and records, including doctor reports that the Board requires for the hearing process, and shall make a written recommendation to the Board on whether applicants should be granted or denied disability or survivor benefits.

- B. LAFPP staff shall endeavor to accommodate the applicant/representative when scheduling a disability pension hearing. When the applicant/representative cannot be reached, fails to return calls, correspondence, or emails, or twice cancels, delays, or continues a hearing, a compulsory hearing will be scheduled at the Board's convenience.
- 1) Using certified mail with return receipt requested or by email with return receipt, LAFPP staff shall provide the applicant/representative with the following:
 - a) Notice of three dates to conduct the hearing. The earliest date should be at least four weeks from the date of notice.
 - b) Instructions to choose one of the three dates and to contact LAFPP staff within ten calendar days of receipt of the notice. If no response is received after ten calendar days, the hearing will automatically be scheduled for the last of the three proposed hearing dates.
 - c) Notice that attendance is mandatory and failure to attend the hearing will result in an administrative withdrawal of the application. If applicant/representative is present but not ready to conduct the hearing on the scheduled date, s/he must provide a verbal explanation to the Board. (Section added 01/18/18)
- C. LAFPP staff may Administratively Withdraw an inactive application. An application shall be considered inactive if it has not proceeded to the next logical processing step for reasons that can't be resolved. The applicant/representative will have 30 calendar days to respond to a request made by LAFPP staff. After 30 days, LAFPP staff shall mail a Notice of Administrative Withdrawal to the applicant/representative. The notice will inform the applicant/representative they have 15 calendar days to reply to keep their application open. If the applicant/representative does not reply, or replies but the delay extends another 30 calendar days, their application will be administratively withdrawn. Once an application is withdrawn, the applicant/representative may submit a new application for a disability pension. Upon receipt of a new application, staff shall start the process over from the beginning. (Section added 01/18/18)
- D. The General Manager shall be responsible for selecting physicians to examine applicants. Physicians, preferably Board certified in their specialty, shall whenever possible be rotated considering geographical and availability constraints. Refusal by an applicant to be examined will cause suspension of disability application processing and initiate the administrative withdrawal process Section 3.4(C). The General Manager may consider applicant objections to physicians made for good cause to select a different physician. (Amended 01/18/18)
- E. Charges by physicians for missed appointments by an applicant or for new or updated reports caused by the delay of an applicant shall be paid by the applicant, unless the applicant can show good cause for the missed

appointment or delay. Failure to pay for missed appointments may cause a suspension of processing and initiate the administrative withdrawal process Section 3.4(C). (Amended 01/18/18)

- F. Appeals to the Board of the General Manager's decision regarding the selection of a physician or physician charges to an applicant must be made in writing, within 14 days of the Manager's decision.
- G. All communication with pension physicians relating to any aspect of an examination performed on behalf of the Department of Fire and Police Pensions shall only be through Department staff. Under no circumstances shall an applicant, an applicant representative or operating department directly contact or provide materials or documents to a pension physician without prior approval of Department of Fire and Police Pensions staff. All materials or documents to be reviewed by pension physicians shall first be submitted to staff for inclusion in the administrative record and then forwarded to the physicians.
- H. Physicians who have performed disability examinations shall provide report clarification or additional evidence as required by the applicant or Department of Fire and Police Pensions staff. Such clarification shall be submitted in writing to the Department of Fire and Police Pensions. This step may be repeated as often as reasonable and necessary. If the applicant does not accept the written response, the applicant may then request a deposition of a pension physician. Staff and a City Attorney shall attend each deposition, arranged by Department of Fire and Police Pensions staff. The cost for the physician and court reporter shall be paid solely by the party requesting the deposition. The Department of Fire and Police Pensions will be responsible for the cost of the transcription service and deposition documents provided by the court reporter. Staff will provide copies of the deposition material. If the applicant fails to accept the results of the deposition, a pension physician may be subpoenaed to appear for questioning at the time the claim is considered by the Board.

SUSPENSION OF DISABILITY PENSION PAYMENTS

3.5 It shall be the pensioner's duty to cooperate with the Board and Staff and to comply with reasonable requests when the disability pensioner's medical status is under review. Failure to cooperate or some other action that impedes or prevents completion of the review process may constitute cause for a suspension of disability pension payments by the Board. Suspended pension payments will be deposited in an escrow account.

- A. Staff shall first ascertain if a hardship exists which prevents the pensioner from cooperating with the review process. If there is no apparent hardship, the pensioner shall be provided the opportunity to appear before the Board to present reasons or evidence justifying the lack of cooperation or failure to comply with requests made in conjunction with the review process. If the pensioner fails to appear at this hearing or is unable to demonstrate good cause for noncompliance, the Board may suspend pension payments for a period of one to three months pending compliance.

- B. If the pensioner continues to refuse or fails to cooperate again, a second hearing will be scheduled for the purpose of suspending disability pension payments until the review process is completed.

RESTORATION OF DISABILITY PENSIONERS TO ACTIVE DUTY

- 3.6 A pensioner on service connected or non-service connected disability pension who is found by the Board to be no longer disabled shall have the pension terminated upon restoration to active duty, or failure to be restored as ordered by the Airport, Fire, Harbor or Police Department, or upon the date of the Board's determination if the retired member had previously been terminated or resigned. (Amended 01/18/18)

SURVIVOR BENEFIT APPLICATIONS

- 3.7 Applications for surviving spouse, minor or dependent children or dependent parent benefits when members are deceased while on active duty due to indisputably service connected causes shall be processed automatically by staff for service connected benefits.
 - A. When there is an issue whether the death is service connected, the application shall automatically be processed as non-service connected, without prejudice (recognizing that this is the minimum pension entitlement resulting from the death of an active member.)
 - B. When the cause of death is the result of suicide, and the survivor applies for service connected benefits, the applicant must provide documentation indicating that he/she is the "personal representative" of the deceased member's estate. Acceptable documentation includes a valid and enforceable trust, will, or court order that identifies the applicant as the deceased member's personal representative. Without this documentation, medical providers will not release the deceased member's psychological or medical records, which LAFPP requires for processing an application where suicide is associated with the cause of death. For this reason, LAFPP will not accept an application filed without the required documentation. (Added 04/16/20)
 - C. A hearing shall be conducted by the Board to determine whether the deceased member's death was service connected, at which time the Board shall review the autopsy report, if available, and a report of at least one qualified physician.
- 3.7.1 A surviving child of a Tier 3, 4, 5 or 6 member may qualify for benefits provided for a minor child until he or she reaches the age of 22 years, if such person is enrolled in school full-time, but such person's marriage terminates entitlement to these benefits. Such person must provide proof of registration at an academic or vocational school, with enrollment in the number of units required of a full-time student as determined by the educational institution. Submission of transcripts may be required should there be a dispute regarding continued full-time student status. (Added 01/07/16)

POST RETIREMENT SURVIVOR BENEFIT PURCHASE PROGRAM

- 3.8 Application for post retirement survivors shall be processed automatically by staff.
- A. A Retired Plan Member (Retiree) may elect percentage choices of 30% to 100% continuances in 5% increments (service retirees and disability retirees) provided the election does not exceed any limitations imposed by federal law. The cost factors used to provide the continuance percentage elected shall be based upon the mortality tables as adopted by the Board in the most recent actuarial experience study.
 - B. A Retired Plan Member may make an election to provide a survivor benefit pursuant to Charter Section 1236 on the first day of any given month, provided that all the documents necessary to make this election are provided to the Plan no later than the fifth day of that month, and the Retiree's monthly benefit shall be reduced beginning with the payment due for that month. If the necessary documents are not received by Plan by the fifth day, the election to provide this benefit shall be made on the first day of the following month and the Retiree's monthly benefit shall be reduced beginning with the payment due that month.
 - C. In the event that a Retiree dies less than one year from the date that the Retiree made an election to provide this benefit, as determined pursuant to the prior provision, then no survivor benefit shall be provided unless the Board shall determine that the Retiree's death was accidental. A Retiree's death shall be determined to be accidental if the preponderance of the evidence establishes that an accident resulting in bodily injury caused the Retiree's death. A death due to sickness, bodily infirmity, suicide or an intentionally inflicted injury shall not be considered accidental. If no survivor benefit is provided, a lump sum shall be paid as provided in Charter Section 1236.
 - D. The Retiree's entire benefit, to the extent such constitutes his/her separate property, must be payable entirely to him/her at the time that he/she makes an election under this program. A Retiree whose benefit is subject to a wage assignment for support, a tax lien, a workers' compensation offset, or any other lien that may legally be imposed on his/her retirement benefit shall not be eligible to elect to provide a survivor benefit.
 - E. A Retiree shall not be precluded from electing this benefit due to a prior community property division awarding a portion of his/her benefit to a former spouse/domestic partner, as that person's separate property, and the balance of his/her benefit to the Retiree as the Retiree's separate property. However, only the Retiree's separate property interest in his/her pension shall be subject to this election. The Retiree's election to provide this benefit shall have no impact upon the former spouse/domestic partner's interest in the Retiree's pension benefit or the payment of other survivor benefits from the Plan. Since the Retiree is paying the full actuarially determined cost of this survivor benefit through a reduction in the Retiree's separate property interest in his/her benefit, the Board shall not subject this survivor benefit to

a community property claim from a prior spouse/domestic partner.

- F. A Retiree receiving a disability pension from the Plan may elect to provide a survivor benefit, but should be advised that this benefit will not be paid if his/her disability pension is discontinued and he/she is returned to duty. Also, because his/her disability pension could be subject to reduction in the future, only such portion of the Retiree's disability pension that represents the minimum that he/she could be awarded shall be subject to reduction to provide for a survivor benefit and any balance of his/her disability pension in excess of this minimum amount shall continue to be payable to the Retiree in full.
- G. Because a disability Retiree's benefit may be subject to a Workers' Compensation offset in the future, a disability Retiree shall provide an authorization, signed by both the Retiree and his/her spouse/domestic partner, allowing the Plan, in the event of the Retiree's death, to continue to offset any Workers' Compensation paid to the Retiree from the survivor's benefit until recouped in full. This authorization is required because the survivor's benefit is funded by a reduction in the disability benefit payable during the Retiree's lifetime, which reduced the amount of the offset recoverable directly from the Retiree.
- H. The election to provide a survivor benefit must be signed by the Retiree unless someone else has the legal authority to act for the Retiree in this regard. When the Retiree lacks the capacity to make this election and there is no one else legally authorized to act on the Retiree's behalf, staff shall prepare a report explaining the situation for the Board's consideration prior to taking any final action by the Board.

REINSTATEMENT OF SERVICE PENSIONERS

- 3.9 The General Manager shall provide a written recommendation to the Board on all applications for reinstatement to active duty from a service pension and the Board shall conduct a hearing on such applications.

CORRECTION OF ERRONEOUS PAYMENTS

- 3.10 A. Overpayments

The Department of Fire and Police Pensions shall recover any payments made in error exceeding \$100, pursuant to the IRS Employee Plans Compliance Resolution System Section 6.06(3), or as a result of failure of a beneficiary to notify the Department of discontinuation of entitlement to benefits (e.g., due to death of a pensioner or surviving spouse, attainment of Charter/Administrative Code specified age for a minor, or discontinuation of full-time student status of a minor).

An additional amount equivalent to the interest that would have been earned in accordance with Section 5.1 (i.e., the amount credited to member accounts) during the period of overpayment shall also be charged to the member or beneficiary. The member/beneficiary shall be notified of the amount of the overpayment, including interest, and provided an opportunity to pay the total amount due in a

lump sum or in two installments within a six-month period from the notification. If the member/beneficiary elects to have the overpayment collected out of future monthly benefit payments, the payment period, not to exceed the individual's life expectancy per the Social Security Administration's Retirement & Survivors Benefits – Life Expectancy Calculator, shall be determined in advance by the member/beneficiary, except however, the General Manager may prescribe a minimum payment amount. The entire balance may be paid at any time.

If the member/beneficiary who received the overpayment is deceased, reasonable recoupment efforts shall be taken, including an offset against the decedent's last check and request for payment from the decedent's estate.

If the overpayment is a result of delayed notification of a surviving child's (between age 18 and 22) discontinuation as a full-time student, the funds to be recovered are effective the month subsequent to the date of discontinuation. Recoupment may be made by offsetting against any reinstated benefits should the surviving child later re-enroll in school on a full-time basis.

In the instance that a responsible party cannot be found, the General Manager may request issuance of subpoenas through the Office of the City Clerk to obtain additional pensioner bank account owner information or any other information the General Manager deems necessary to assist in recovery of the overpayment(s).

If the collection requests are unsuccessful, additional reasonable recoupment efforts shall include filing a creditor's claim, suing the responsible party in small claims court, utilizing a collection agency, or filing a lawsuit against the responsible party.

If, after all reasonable recoupment efforts have been taken and found unsuccessful, for amounts up to \$20,000, the General Manager shall have the authority to write off the overpayment in whole or in part. For amounts over \$20,000, the matter will be discussed with the City Attorney for likeliness of repayment and then brought before the Board for further consideration and/or instructions. For any unrecovered amount, the Board shall have the authority to write off the overpayment in whole or in part or to take such other action as the Board deems reasonable and appropriate.

B. Underpayments

If the error results in an underpayment, an additional amount equivalent to the interest that would have been earned in accordance with Section 5.1 (i.e., the amount credited to member accounts) during the period of underpayment shall also be paid to the member/beneficiary. (Amended 01/07/16, 05/07/20 and 10/15/20)

PENSION PAYROLL DEDUCTIONS FOR ORGANIZATIONS

- 3.11 The Department of Fire and Police Pensions permits organizations that are organized or operated for the benefit of LAFPP members, Police Officers or Firefighters to receive deductions from LAFPP pension payments.

Organizations seeking to receive pension deductions after the effective date of this policy will be required to provide, as part of any request:

- Evidence that the organization is organized or operated for the benefit of LAFPP members, Police Officers or Firefighters;
- Evidence that a minimum of 50 retired LAFPP members are willing to authorize voluntary deductions to the group; and
- The organization must receive monthly deductions from at least 50 LAFPP pensioners for LAFPP to continue processing deductions.

Under this policy, organizations that are currently receiving deductions from less than 50 members will remain eligible to continue receiving deductions from LAFPP regardless of membership figures. This policy does not apply to organizations providing medical and/or dental insurance to LAFPP members.

The General Manager or his/her designee shall establish a procedure for approving or denying applications from organizations seeking eligibility to receive voluntary pension deductions. If the organization is approved to receive deductions, the authorized deductions shall be submitted to LAFPP electronically. Payment shall be prepared and issued to such organizations by LAFPP after the close of each respective Pension payment period. All organizations must submit to the General Manager financial records upon request. (Section added 04/19/18)

STALE-DATED CHECKS

- 3.12 Pension or refund checks that have not been negotiated after 180 days will be considered stale-dated and cancelled. Prior to cancellation, members/beneficiaries will be contacted approximately one month prior to the check's expiration date reminding them of the deadline. If contact cannot be established or the member/beneficiary does not negotiate the check within the 180-day period, notification along with an affidavit form requesting a replacement check will be sent by certified mail with return receipt explaining that the check has been cancelled and that a new check will not be issued until a completed affidavit is received. (Section added 06/21/18)

A non-represented applicant may, at any time, terminate a hearing for the purpose of securing legal counsel. An applicant who has represented him or herself at a concluded hearing may request a rehearing within 90 days after the Board has adopted Findings of Fact for the purpose of being represented by legal counsel. If at the time such rehearing is scheduled an applicant fails to be represented by legal counsel, there shall be no rehearing unless the applicant meets the requirements of Section 4.11.

RELEASE OF FILES

- 4.2 Upon the signed authorization of an applicant, the applicant's administrative file may be released for review by his/her authorized representative and to the medical liaison officer of the applicant's employing department. Prior to a hearing, a medical resume shall be furnished to the applicant.

WITNESSES

- 4.3 An applicant, the Department of Fire and Police Pensions or the applicant's employing department may present witnesses or evidence relevant to the application. All witness testimony shall be sworn. Witness fees may be provided, if applicable, in accordance with the Government Code. Fees shall be paid by the party requesting the witness to appear. The Board may issue subpoenas, within its authority.

No less than ten (10) working days prior to the disability pension or survivor application hearing, the applicant or his/her authorized representative is required to provide Disability Pensions Section Staff with a complete list of witnesses, the subject matter of the testimony, and a summary of the testimony to be provided by each witness. Witness testimony should focus on facts relevant to establishing service-connection and/or the extent and nature of the applicant's physical and/or psychological limitations. (Added 04/16/20)

EVIDENCE

- 4.4 All evidence to be presented at a hearing must be received by the Department of Fire and Police Pensions no later than ten (10) working days prior to the hearing date; although the Board may waive this requirement upon showing that no prejudice to any party will result. Any document submitted for inclusion in the Administrative File shall first comply with the following guidelines.
- A. The document must contain the name of the author, the date of preparation and where the author can be contacted. The document cannot contain any

information or statements made by anyone other than the author unless the source is identified.

- B. The document cannot contain opinions unless a factual foundation is made to support the opinion and a statement of special qualifications that enables the author to formulate the opinion is included. When the opinion is within the understanding of any reasonable person, a statement of special qualifications is not necessary.
- C. Any document submitted for inclusion in the Administrative File in-lieu of testimony before the Board shall be in the form of a Declaration Under Penalty of Perjury or a signed and dated affidavit. Staff shall notify any person who submitted material that does not qualify so the person can resubmit in compliance with the guidelines.
- D. Objections to inclusion or exclusion of documents in the Administrative File shall be submitted in writing to staff or may be raised at the time of the Board hearing on the claim. The Board's decision shall be final.
- E. These guidelines are not applicable to documents that have historically proven to be reliable: medical, personnel and workers' compensation records, staff work product or any document that would be admissible in a court proceeding.
- F. Nothing in this rule shall prevent the admission of material that is relevant, reliable and helpful to the better understanding of the claim, even though it does not strictly comply with the above guidelines.

ASSIGNMENT OF CASES

- 4.5 The General Manager shall designate a limited number of commissioners to preside over disability pension and survivor application hearings as Disability Hearing Officers. These designated commissioners will serve as subject matter experts and be trained in conducting administrative hearings. Disability Hearing Officers will be responsible for ensuring that each disability hearing proceeds fairly, efficiently, and expeditiously.

CONDUCT OF HEARINGS

- 4.6
 - A. The commissioner assigned the case shall lead the questioning of the applicant/ applicant's representative; however, any commissioner may ask follow up questions. The applicant/representative shall be required to indicate whether the file is complete and whether there are any objections to evidence contained in the file. The assigned Disability Hearing Officer, with the advice of the City Attorney shall rule on the admissibility of questions or evidence. Commissioners may also direct questions to the medical liaison officer of the applicant's employing department, to the applicant's witnesses and to Pensions Department staff, as deemed necessary.
 - B. The applicant shall have the right to be present during the presentation of all testimony and evidence. After all testimony has been received, the

applicant/representative shall be given the opportunity to provide a summation.

DELIBERATIONS BY BOARD

- 4.7 Following receipt of all testimony and evidence, the applicant and witnesses may be excused. The applicant's counsel may remain during deliberations, but may not participate in the discussion. If an applicant is representing him or herself, he or she may remain during deliberations.

APPROVAL AND REVIEW BY BOARD

- 4.8 The Board shall approve or deny applications for benefits in accordance with applicable Charter provisions, case law and City Attorney opinions. It may, at the time of an award of a disability pension, establish a time for review of the pensioner and cause a re-examination by one or more doctors. The Board may, at any time, initiate a review of a disability pensioner upon the request of the pensioner or upon receipt of information that appears to indicate the pensioner's condition has changed from the time the pensioner was retired.

OFFICIAL NOTICE OF BOARD ACTION

- 4.9 Official notification of the Board's action shall be communicated in writing as soon after the hearing as possible.

NON-SERVICE CONNECTED DISABILITY HEARINGS

- 4.10 When the Board has determined that a disability is non-service connected and the applicant is eligible for a service pension or a deferred service pension, final action shall be deferred sixty (60) days from the date of such determination to permit the applicant to apply for a service pension, or to accept the non-service connected disability pension. If such notification is not received within sixty days, the non-service disability pension shall become effective the date of the Board action.

REHEARING

- 4.11 The Board may, on its own motion, or at the request of an applicant rehear a disability application within 90 days of Board action under the following conditions:
- A. The Board may have acted in error on the facts of the claim; or
 - B. A non-represented applicant has obtained legal representation (Sec. 4.1); or
 - C. The applicant presents, at the time of the request, new and different evidence which, in the exercise of due diligence, could not have been made available by the applicant to the Board at the time of the original hearing; and
 - D. Such new evidence, or statement of such evidence, has first been administratively reviewed by Department of Fire and Police Pensions' staff and the City Attorney and their recommendations have been presented to the Board.

REAPPLICATION FOR DISABILITY PENSIONS

- 4.12 Reapplications received within 90 days after the Board has adopted the Findings of Facts denying a disability pension shall be processed in accordance with the procedure for rehearings (4.11), except if the applicant can present information at the time of filing that the reapplication is due to a new injury or re-injury, a new illness or substantial deterioration or aggravation of an injury or illness upon which the previous application was based. If such new information cannot be provided, the matter shall be scheduled for hearing before the Board to determine whether the General Manager shall proceed to process the disability pension application.

ACTIVE DEATH HEARINGS

- 4.13 The conduct of hearings to determine whether the death of an active member was service-connected shall be conducted in the same manner as a Disability Pension hearing. The surviving spouse, dependent parent or legal guardian of minor or dependent children shall be notified of the date and time of such hearing, shall be invited to be present and permitted to offer evidence and testimony to support a claim that the death was service connected.

HISTORY

- 4.14 Adopted: Circa June 13, 1996; Amended 11/02/06, 10/01/09, and 04/16/20.

REVIEW

- 4.15 This policy shall be reviewed by the Board as needed and may be amended by the Board at any time.

Los Angeles Fire & Police Pension System

5.0 - MEMBER ACCOUNTS

CREDITING OF INTEREST

- 5.1 The General Manager shall determine the approximate earned investment income of all funds for each (6) six-month period ending December 31 and June 30, excluding profits and losses from the sale of securities, as follows:

Earned Investment Income for the six-month period divided by (1/2 of the beginning asset balance + each of the following five months asset balance + 1/2 of ending asset balance) divided by six months.

A recommendation shall be presented to the Board, based upon this calculation. The Board shall adopt an official interest rate that shall be credited to individual member contribution accounts.

REFUNDS OF CONTRIBUTIONS

- 5.2 Upon the written request of terminated System members, the General Manager shall process refunds of contributions, plus interest credited as of the last day of each June and December, and additional interest for any period of service between the next preceding last day of June and December and the end of the pay period preceding the date of termination, at the rate at which regular interest was last credited to plan member's individual accounts.

Refunds for Public Service Purchases (PSP), as described in Section 5.5 below, are subject to the provisions of Administrative Code Section 4.2212. A member may elect that a refund, due to overpayment of PSP as determined by an actuarial "true-up", be processed via trustee-to-trustee transfer to the City's Deferred Compensation 457(b) Plan upon termination of employment if the 457(b) plan was a source of the original PSP payment. As a limited exception to the provisions under Administrative Code Section 4.2212, an overpayment correction of a PSP purchase, not due to a true-up, may be made, including to the City's Deferred Compensation 457(b) Plan, as described in Section 5.5(D) below without the requirement for a termination of employment. (Amended 03/17/16)

- 5.2.1 Upon application by a former member of LAFPP who currently is employed by the City as a member of LACERS or Water and Power Employees' Retirement Plan (WPERP), the General Manager is authorized to transfer all contributions (including interest) of the former member directly to LACERS or WPERP for the purpose of enabling the former member to purchase service credit and other benefits as authorized under the provisions of LACERS or WPERP. In connection with this transfer, the former member shall be required to sign a written waiver of all rights to benefits from LAFPP.

The purpose of this Board rule is to restore the rights that former members previously had (prior to December 21, 1996) to transfer their contributions to LACERS or WPERP in order to purchase service credit and other benefits with

LACERS or WPERP in a manner that is consistent with the provisions of LACERS or WPERP and current tax law. This rule shall not establish a reciprocity program between LACERS and LAFPP or between WPERP and LAFPP.
(Amended 05/02/19)

CONTRIBUTIONS OWED TO THE SYSTEM

- 5.3 The General Manager is authorized to collect mandatory regular pension contributions owed to the System that were not collected and voluntary additional pension contributions as defined in Administrative Code Section 4.1167. For amounts less than or equal to a member's biweekly contribution, no notification is required to the member. For amounts greater than a member's biweekly contribution, the member shall be notified of the amount due and provided an opportunity to pay the total amount in a lump sum. If the member does not pay such amount within 30 days of such notification, the General Manager is authorized to initiate deductions from the member's salary in the amount of 2% until the amount due has been collected. This 2% deduction may be reduced upon the member's election to pay interest equivalent to the Board approved assumed actuarial rate in effect when the agreement is made. The payment period, not to exceed ten years, shall be determined in advance by the member, except however, the General Manager may prescribe a minimum payment amount. The entire balance may be paid at any time. If the member applies for a pension prior to completing the agreement, the entire balance of the purchase agreement, including interest accrued to date, becomes due. (Amended 12/06/12)
- 5.3.1 Members of the Airport Department who transferred from LACERS to Tier 6 shall continue to make member contributions at the rate applicable to his or her LACERS membership to the extent required by the Internal Revenue Code and as further described in Charter §1714(a)(3). A LACERS Tier 1 member who elected to transfer to Tier 6 will make member contributions at the following rates:
- 1) Before the LACERS ERIP obligation expires (June 30, 2026): 11% of compensation on a pre-tax basis.
 - 2) After the ERIP obligation expires but before the member has 25 years of service: 11% of compensation of which 10% will be made on a pre-tax basis and 1% will be made on an after-tax basis; and
 - 3) After the ERIP obligation expires, and after the member has 25 years of service up to retirement: 10% of compensation on a pre-tax basis. (Added 03/16/17)
- 5.3.2 Voluntary Additional Contributions for Retiree Health: Pursuant to Administrative Code Section 4.1167, a member may have irrevocably elected to make voluntary additional contributions (Additional Contributions) to his or her tier of the Fire and Police Pension Plan by salary deduction at the rate of 2% of his or her regular biweekly base salary (as distinguished from pay actually received) in order to support the City's ability to fund retiree health benefits. These Additional Contributions shall be deposited into each such member's individual contribution account and shall be treated for any and all purposes the same as the member's regular contributions to the Fire and Police Pension Plan.

These contributions do not count for a member's service credit. A member who irrevocably elected to make 2% additional "opt-in" contributions to avoid the subsidy freeze and receive future increases in the maximum health subsidy, will continue to make such contributions until he/she has done one of the following, whichever is earliest, at which time his or her obligation to make further Additional Contributions shall terminate: (1) made such opt-in contributions for 25 years, or (2) retired on a service or disability pension, or (3) exited the Deferred Retirement Option Plan (DROP). These Additional Contributions will not be collected when a member is on Injury on Duty (IOD), Military Leave (ML), or other unpaid status, and this time will not count toward the required 25-year contribution period. (Added 12/20/18)

CONTRIBUTIONS COLLECTED IN ERROR

- 5.4 The General Manager is authorized to refund mandatory and non-mandatory contributions collected in error.

PURCHASE OF SERVICE CREDIT

- 5.5 Upon the written request of a member of Tier 3, Tier 4, Tier 5 or Tier 6, application may be made for purchase of Years of Service Credit. Plan membership is defined by City Charter §1502(c), §1602(c), §1702(e) and Administrative Code §4.2002(c). Only active, non-DROP members of the Police, Fire, Harbor, and Airport departments are allowed to purchase service credit as defined in applicable Charter and Administrative Code provisions. (Amended 03/16/17)

(i) Recruit Training Time – City Charter §1500(a), §1600(a), §1700(b), §1700(f) and Administrative Code §4.2000(a)

A member may purchase their entire recruit training time or they may purchase a prorated amount. (Amended 03/16/17)

(ii) Prior Service Time – City Charter §1500(b), §1502(m)(4), §1514(d), §1600(f), §1602(m)(4), §1700(d), §1702(q)(4)&(6), §1714(e), Administrative Code §4.2002(m)(4) and §4.2014(d)

A member may purchase the entire period of prior service as a former member of Tiers 1, 2, 3, 5, or 6 by re-depositing the entire amount of refunded contributions and interest, or may purchase a portion of such service by depositing a prorated amount of the refunded contributions and interest in accordance with paragraph B. (Amended 03/16/17)

(iii) Temporary Disability paid at State rate – City Charter §1502(m)(4), §1514(e), §1602(m)(4), §1614(e), §1702(q)(4) and §1714(g), Administrative Code §4.2002(m)(4) and §4.2014(e)

A member may purchase their entire temporary disability paid at State rate, or they may purchase a prorated amount. (Amended 03/16/17)

(iv) Non-service connected disability pension – City Charter §1502(m)(2), §1602(m)(2), §1702(q)(2), Administrative Code §4.2002(m)(2)

Members who elect to have service credit restored for time spent on a non-service connected disability pension may purchase the entire time or a prorated amount. (Amended 03/16/17)

(v) Paramedic/Civilian Ambulance Service while a member of the City Employees' Retirement System for current members of Tier 3 or Tier 4; former members of Tier 3 or Tier 4 who transferred to Tier 5; and former members of Tier 2 who transferred to Tier 5 – City Charter §1500(d), §1600(g), Administrative Code §4.2000(d) and §4.2000(c)(4)

Members who received a refund of contributions and interest from the City Employees' Retirement System for a service as a paramedic/civilian ambulance employee can purchase this prior service, or a partial period of this service, by re-depositing the amount refunded plus interest that would have been earned had the member not received the refund. (Amended 07/21/05)

(vi) Public Service Purchase (PSP) – Administrative Code §4.2212

A member may increase the monthly retirement allowance or survivorship benefits based upon the increased retirement allowance with the purchase of public service credit, not to exceed 4 years, that includes full-time service with a public entity, including a branch of the military service. Verification through a Certification of Service or presentation of original proof of military service time (DD214) will serve to establish eligibility of service time sought for purchase.

(vii) Office of Public Safety (OPS) Service Purchase Program – Administrative Code §4.2214

Members who were transferred to the Police Department from the Department of General Services' OPS and gained status in Class Code 2214, 2217, 2223, 2227, 2232, or 2244, and who become members of Tier 6 may purchase service. Only sworn service in Class Codes 3183, 3185, 3188, and 3198 is eligible for purchase. Former OPS officers are eligible to purchase either the minimum or the maximum eligible OPS service credit as determined by the Plan's actuary. Members shall not be allowed to purchase a different number of years of service for Tier 6 health benefit purposes than for purposes of other Tier 6 benefits. Eligible members must enter into a written purchase agreement on or before June 30, 2015. (Added 10/16/14)

(viii) Airport Peace Officer Service Purchase Program – Administrative Code §4.2215

Members of the Airport Department in class codes 3225-1, 3225-2, 3225-3, 3202-0, 3202-1, 3202-2, 3236, 3226-0, 3226-1, 3226-2, 3227, 3203, 3203-9, 3228-0, 3228-1, 3228-2, 3205, 3234 or 3232, who were appointed prior to January 7, 2018, or who, on that date or the date immediately preceding the date of such person's appointment as a firefighter and employment by the Fire Department, had served as a sworn Airport Department employee in these class codes, and made an irrevocable election in writing to become a member of Tier 6 in lieu of membership in LACERS, must purchase all of their prior LACERS service. Eligible members

must enter into a written purchase agreement prior to graduation from the Fire Department drill tower or prior to January 7, 2018, whichever is earlier. (Added 03/16/17)

The following rules apply to the purchases above unless otherwise stated:

- A. Service credit may be purchased by a single cash payment or on an installment basis through payroll deduction, or both. However, if the member is purchasing nonqualified permissive service credit as defined by Internal Revenue Code Section 415(n), the member may not make the purchase with after-tax contributions unless the member has five or more service credit years. In accordance with Los Angeles Administrative Code Section 4.1906(q) if a member making a purchase of nonqualified service has less than five service credit years, a trustee-to-trustee transfer from the City of Los Angeles Deferred Compensation Plan or a rollover from an eligible retirement plan is the only payment option available. The only exception to this rule is, if a member transfers all of his or her funds from the City's Pension Savings Plan (for Part-Time, Seasonal and Temporary Employees) into his or her Deferred Compensation Plan account to make this purchase via a trustee-to-trustee transfer, then the balance of the purchase, if any, may be paid on an installment basis with after-tax payroll deductions or a lump sum payment. Members who elect to purchase prior service, recruit training time or temporary disability through payroll deduction contract shall be limited to two such contracts for any one type of purchased service. Members who elect to make a public service purchase through payroll deduction contract shall be limited to one such contract for each period of service purchased. Each such purchase service contract may be initiated or ended by a lump sum payment.

A member may also purchase service credit by making a lump sum payment by waiving his or her right to all benefits with LACERS or WPERP and authorizing a transfer of all his or her LACERS or WPERP member contributions and accrued interest from LACERS or WPERP to LAFPP, provided that the total amount of the member's LACERS or WPERP contributions and interest does not exceed the remaining amount that the member owes LAFPP for the purchase. Should this transfer not be large enough to cover the entire cost of the purchase, any balance owing may then be paid by the member either as a lump sum payment or on an installment basis through payroll deduction. If the member is purchasing nonqualified permissive service, the member must have five or more service credit years unless the exception noted above applies. (Amended 05/02/19)

For OPS service purchases made through payroll deduction the member may terminate the payroll deduction contract and cease further payments. The member shall not be allowed to complete this purchase at a later date or enter into another agreement to purchase this service. The member will receive prorated years of service based on the payments already made.

A member may make any cash payment or lump sum payment authorized above by using a trustee-to-trustee transfer from the City of Los Angeles Deferred Compensation Plan. Should a trustee-to-trustee transfer not be

large enough to cover the entire cost of the purchase, any balance owing may then be paid by the member either as a lump sum payment or on an installment basis through payroll deduction. If the member is purchasing nonqualified permissive service, the member must have five or more service credit years unless the exception noted above applies. A trustee-to-trustee transfer may also be used by Tier 2 members to purchase Lost Service Time.

A member purchasing OPS service may make a lump sum payment by waiving his or her right to all benefits (based on all his or her non-OPS service) with LACERS and authorizing a transfer of all his or her remaining LACERS member contributions and accrued interest from LACERS to LAFPP, provided that the total amount of the member's remaining LACERS contributions and interest does not exceed the remaining amount that the member owes to LAFPP for the purchase. (Amended 01/18/18)

- B. When payment is made through payroll deduction, the member may elect a payment period not to exceed ten years for all purchases except public service, OPS service purchases, and Airport Peace Officer service purchases. For public service and OPS service purchases, the member may elect a payment period that is not to exceed thirty years, does not extend past the date on which the member would attain the maximum years of service permitted by his/her tier when the public service or OPS service purchase is included, and establishes payment three months prior to the member's intended retirement/DROP entry date for all contracts. For Airport Peace Officer service purchases, the member may elect a payment period that is not to exceed thirty years and establishes payment three months prior to the member's intended retirement/DROP entry date for all contracts.

The General Manager may prescribe a minimum payment amount for all contracts. The member's payroll deduction for a contract will be the greater of the minimum amount prescribed by the General Manager or the amount necessary to complete the contract within the allowable time as defined in the previous paragraph. The schedule, which shall be determined by the member in advance, cannot be changed except the member may pay off the balance at any time.

The member shall be charged an amount equivalent to the Board determined assumed actuarial interest rate in effect when the contract is signed. However, OPS service purchases will pay an interest rate of 7.75%, and Airport Peace Officer service purchases will pay an interest rate of 7.5%. For the purchase of prior service, an additional amount equivalent to the interest that would have been earned in accordance with Section 5.1 (i.e., the amount credited to member accounts) shall also be charged.

For all purchases described in Section 5.5, except for purchase of prior service, public service, OPS service purchases or Airport Peace Officer service purchases, no additional amount will be charged if the purchase agreement begins within one year of the member's eligibility to make the purchase. If the purchase is made after the one year eligibility date, an additional amount equivalent to the interest that would have been earned in accordance with Section 5.1 shall also be charged from the eligibility date

until the beginning date of the purchase agreement. Such payments may be made on either a pre-tax or post-tax basis, except that payroll deductions for public service, OPS service purchase, and Airport Peace Officer service purchase contracts may be made only on a post-tax basis, with pre-tax contributions subject to all requirements of the Internal Revenue Code.

Purchases of service credit time for Tier 5 and Tier 6 Plan members are to be calculated based on the pension rate in effect during the period of service time to be purchased. If a contribution rate change falls within a pay period, a pro-rated rate shall be applied. (Amended 03/16/17)

- C. A qualified surviving spouse/domestic partner may complete the purchase of years of service agreed to by a member, and subject to a true up for public service purchases, by remitting a lump sum payment prior to benefits being granted.

A qualified surviving spouse/domestic partner who elects to complete an Airport Peace Officer service purchase agreed to by a member, rather than to have the member's years of service pro-rated based upon the payments made prior to the member's death, shall have 90 days following the member's death to make his or her election. Payment must be received within 180 days following the member's death. (Amended 03/16/17)

- D. The Board shall establish the amount of interest and the manner in which this interest is credited on PSP payments for refund purposes as provided by Los Angeles Administrative Code Section 4.2212. The amount of interest established by the Board for refunds of PSP purchases shall be the rate applied to individual member contribution accounts in accordance with Section 5.1. This contribution rate shall apply on a daily basis.

With the exclusion of any correction necessary to adjust an overpayment of a PSP purchase (i.e., the transferor plan transferred an incorrect amount for the PSP purchase, or the Plan determined that there was an error in the calculation of the amount necessary for the purchase), a member shall not be paid a PSP refund until the member terminates employment. (Added 03/17/16)

WORKERS' COMPENSATION AWARD RECAPTURE

- 5.6 Disability pension payments must be reduced by the total amount of compensation awarded or paid pursuant to Workers' Compensation in accordance with Los Angeles City Charter Article XI, Part 3, Section 1212 (Effect of Receipts of Workers' Compensation). As to Workers' Compensation payments being received concurrently with a disability pension, the General Manager is directed to reduce the monthly pension by the monthly equivalent of the Workers' Compensation payments. As to Workers' Compensation awards or payments received prior to the granting of the disability pension, the General Manager is directed to deduct from monthly pension payments on an installment basis until the total amount of prior Workers' Compensation has been offset. Each deduction made on an installment basis shall be in an amount of no less than twenty-five (25) percent of the monthly gross pension amount. The member, at his or her discretion, may elect to repay

the full amount of prior Workers' Compensation at any time. The member and General Manager may agree on deduction amounts greater than twenty-five (25) percent. If a member, upon being granted a disability pension, is eligible to receive a pension payment retroactive to a date earlier than the Board action date, the deduction provisions stated above shall be applied to the retroactive pension payment. (Amended 03/07/13)

WORKERS' COMPENSATION RECAPTURE SUSPENSION

- 5.7 Effective October 15, 2020, the Board elected to eliminate the program to suspend Workers' Compensation recapture. Through this action, the General Manager will administratively deny requests and there will be no appeal process available to members. (Added 11/05/2020)

ACCEPTANCE OF ELECTRONIC SIGNATURES

- 5.8 The Board authorizes the acceptance of an electronic signature on a document that requires a signature. Such document shall be given the same force as a signed, valid original document, if the document and electronic signature are submitted using technology that the Board deems sufficient to ensure its integrity, security and authenticity. The system deemed sufficient shall embody all of the following attributes:
- a) User ID and password are unique to each member, and
 - b) The User ID and password are capable of verification. (Added 05/02/13)

FORFEITURE OF UNCLAIMED FUNDS TO THE PLAN

- 5.9 The Board authorizes the General Manager to declare a forfeiture of money or relieve a person from forfeiture of money. The General Manager is authorized to declare a forfeiture of all monies, including but not limited to contributions, interest, and benefits, that become payable or distributable from LAFPP to any owner who either cannot be found or refuses to accept payment or distribution within ten years of the date such monies become payable or distributable from LAFPP. (Added 09/03/15)

7.0 - AUTHORIZATION OF SPECIAL ACTUARIAL STUDIES

PURPOSE

- 7.1 The purpose of this policy is to establish guidelines within which the Board may:
- A. Fund an actuarial study for potential plan amendments using plan assets; or,
 - B. Request the Plan's actuary to conduct an actuarial study on behalf of the Plan Sponsor, at the Plan Sponsor's expense; or,
 - C. Request the Plan's actuary to prepare an illustration of contributions, funded ratio and Unfunded Actuarial Accrued Liability (UAAL) each year after the adoption of the annual valuation, using the actuarial return assumptions as directed by the General Manager. (Amended 10/03/13, 08/06/15)

SCOPE OF AUTHORITY

- 7.2 The Board has determined that this policy shall be limited to (1) authorizing actuarial studies to evaluate possible inequities existing in the current retirement and health benefit structure, and (2) considering written requests by the Plan Sponsor for actuarial studies to be conducted by the Plan's actuary at the Plan Sponsor's expense, and (3) authorizing the General Manager to have the Plan's actuary prepare an illustration of contributions, funded ratio and Unfunded Actuarial Accrued Liability (UAAL) each year after the adoption of the annual valuation. The Board does not have authority to establish new benefits. (Amended 10/03/13, 08/06/15)

DEFINITION OF INEQUITY

- 7.3 An inequity is an instance of injustice or unfairness to a group of members or beneficiaries. An inequity may also be any situation that was not considered when the original benefit was created or when the Board is of the opinion that, based on current facts, the eligibility criteria is unreasonable.

SUBMISSION OF AN INEQUITY

- 7.4 A Board member, active or retired plan member or staff may submit an inequity issue, in writing, to the Board for consideration. The written request shall contain the following:
- A. The specific benefit that contains the inequity.
 - B. An explanation of the inequity situation and the extent to which members or beneficiaries are affected.
 - C. Suggested recommendation(s) to resolve the inequity.
 - D. The name of the individual that can be contacted if additional information is required.

REFERRAL TO BOARD

- 7.5 Upon receiving a request to consider an inequity issue, the President of the Board shall refer the item to the General Manager for research and recommendation. The General Manager shall:
- A. Determine if the request involves a current benefit.
 - B. Determine if an inequity, as defined in 7.3, exists.
 - C. Recommend a solution to resolve the inequity.
 - D. Determine, based on the facts presented, whether the expenditure of Plan assets for an actuarial study to establish the cost to resolve the inequity is a reasonable administrative expense.
 - E. Submit his/her findings and recommendations to the Board for consideration.
(Amended 11/03/16)

BOARD CONSIDERATION

- 7.6 The Board shall consider the following:
- A. In considering inequity issues, the Board shall consider the General Manager's findings and recommendations.
 - B. The Board shall consider any written requests that may be received from time to time from the Plan Sponsor for actuarial studies to be conducted by the Plan actuary on behalf of the Plan Sponsor
(Amended 11/03/16).

ACTUARIAL STUDY

- 7.7 The Board shall have final authority to authorize an actuarial study. In the case of an actuarial study undertaken in connection with consideration of an inequity issue, the Plan's actuary shall be directed to establish the cost to resolve the inequity based on the recommended solution. The Board shall not authorize an actuarial study on behalf of the Plan Sponsor unless the Plan Sponsor has committed in writing to pay for the study, or unless the authorization is conditioned on receiving such a written commitment prior to commencement of work on the study.
- 7.7.1 The General Manager shall request that the actuary prepare an illustration of contributions, funded ratio and Unfunded Actuarial Accrued Liability (UAAL) each year after the adoption of the annual valuation, using the actuarial assumptions adopted for the annual valuation and the actuarial return assumptions as directed by the General Manager. If the Plan Sponsor requests additional scenarios, said illustrations shall be at the Plan Sponsor's expense. (Amended 10/03/13, 08/06/15)

FINAL BOARD ACTION WITH REGARD TO AN INEQUITY ISSUE

- 7.8 Final Board Action – After receiving an actuarial study with regard to an inequity issue, the Board shall determine if further action is appropriate based on the results of the actuarial study. The Board's action is limited to recommending to the City Council that the inequity requires correction. The actuarial study will provide the cost of that correction to support the request.

PAYMENT TO ACTUARY FOR STUDIES REQUESTED BY THE PLAN SPONSOR

7.9 Payment to the actuary for any study on behalf of the Plan Sponsor shall be made after the Plan receives payment therefore from the Plan Sponsor.

7.10 Adopted: August 21, 2003; Revised: 04/19/12, 10/03/13, 08/06/15 and 11/03/16.

REVIEW

7.11 This policy shall be reviewed by the Board as needed and may be amended by the Board at any time.

8.0 - HEALTH AND DENTAL SUBSIDIES AND REIMBURSEMENTS

HEALTH INSURANCE PREMIUM REIMBURSEMENT PROGRAM

8.1 A. All Health Insurance Premium Reimbursement (HIPR) applications shall be filed in writing on forms prescribed by the Department of Fire and Police Pensions (Department). Applicants shall be responsible for furnishing all required documents needed to process and verify HIPR eligibility. Participants in the HIPR program shall be responsible for notifying the Department of any change in status that affects program eligibility.

B. To receive reimbursement the pensioner must submit verification of their enrollment in a health plan. For United States residents, enrollment must be in a state regulated health plan. Department staff will determine and certify whether or not a health plan is state regulated. (Revised 12/19/13)

For residents who live outside the United States, the requirement of enrollment in a state regulated health plan will not apply. Exchange rates for reimbursement will be based on those published by the Federal Reserve Bank of St. Louis website (<http://research.stlouisfed.org/fred2>) effective the date premiums were paid to the health plan.

C. Subject to the maximums established in the Administrative Code and Charter, health insurance reimbursements are available for any dollar amount paid toward health insurance coverage, including a balance between the total premium and an amount paid by another non-City employer/agency.

D. Medicare-eligible members enrolled in Parts A and B with covered dependents (spouse or domestic partner and/or children under the age of 26) shall be eligible to receive up to the maximum non-Medicare subsidy established per the Administrative Code and Charter. Medicare-eligible dependents are required to enroll in Medicare to the fullest extent of their eligibility. Proof of enrollment shall be submitted prior to reimbursement of claims for health insurance premiums. (Amended 02/16/17)

E. Health insurance reimbursements shall be payable for dual coverage/premiums paid by a participant in more than one health insurance plan for the same time period. The amounts shall not exceed the maximums established per the Administrative Code and Charter.

F. Health insurance reimbursements are paid for health insurance and Medicare prescription drug coverage only and may not be applied to coverage in other plans, including but not limited to dental, long-term care and vision coverage.

G. Health insurance reimbursements shall be processed and paid on a quarterly basis. Claim forms and documentation will be accepted for one year following

Health and Dental Subsidies and Reimbursements

claim submission period.

- H. Submittal of false or fraudulent documents and/or information, including the failure to inform the Department when purchased and reimbursed coverage is canceled and the pensioner later receives a refund by the insurance agency, shall be the basis for denial of an application. The penalty is suspension from the HIPR program for three years and recovery of amount paid falsely, plus interest in accordance with Board Operating Policy Section 3.10. (Revised 12/19/13)
- I. Any pensioner who receives a rebate of any portion of his/her health plan premium for which he/she has received reimbursement from LAFPP under the HIPR program shall report the rebate to LAFPP and provide supporting written documentation. Written documentation of such a rebate must be submitted no later than by the HIPR filing deadline for the quarter beginning after the date when the pensioner received the refund (i.e. for the next quarter).
- J. LAFPP will calculate the portion of any health insurance premium rebate that is due to be refunded to LAFPP. LAFPP will first apply any such rebate to the portion of the HIPR-eligible medical plan premium the pensioner paid but which was not reimbursed by LAFPP for the period covered by the rebate. The remainder of the rebate shall be the amount due to LAFPP.

The pensioner must make reimbursement by no later than the end of the month beginning after the disclosure deadline in Section 8.1(I) of these rules.

- K. Should LAFPP become aware of a rebate made to a pensioner for health plan premiums reimbursed under the HIPR program, and should the pensioner refuse to reimburse LAFPP for its portion of the rebate as calculated in 8.1(J), the portion of the rebate due to LAFPP shall be included in the pensioner's taxable income as reported to the IRS and the pensioner's state tax agency (if applicable), except where such portion is not taxable income under applicable law.

Furthermore, a pensioner who refuses to reimburse LAFPP for its portion of such a rebate shall be suspended from the HIPR program for three years.

- L. Effective April 1, 2014, all pensioners in the HIPR program shall attest the following on each claim form submitted:
- The pensioner will inform LAFPP if he/she receives a rebate of any portion of his/her health plan premium for which LAFPP has reimbursed the pensioner under the HIPR program and provide supporting written documentation for such a rebate. Written documentation of such a rebate must be submitted no later than by the HIPR filing deadline for the quarter beginning after the date when the pensioner received the refund (i.e. for the next quarter).
 - The pensioner agrees to reimburse LAFPP in the amount of the rebate received less any portion the pensioner paid for his/her HIPR-eligible health plan coverage that was not reimbursed by LAFPP. The pensioner

Health and Dental Subsidies and Reimbursements

must make reimbursement by no later than the end of the month beginning after the disclosure deadline above.

- The pensioner agrees to repay LAFPP its portion of any medical plan premium rebate in a single payment through personal check, withholding from future HIPR payments, or deduction from the pensioner's pension check.

If the pensioner receives his or her health insurance through a group plan, any rebate of health insurance premiums retained by the group and not passed on to the pensioner will not be construed by LAFPP as having been received by the pensioner. It is the obligation of the group plan to pass on any premium refund to the pensioner. Once the rebate is received by the pensioner, the pensioner must then inform LAFPP of the rebate and pass on to LAFPP its portion of the refund as calculated in 8.1(J) of these rules.

All LAFPP retired members and their qualified surviving spouses/domestic partners who qualify for premium-free Medicare Part A shall enroll in Medicare Part A to remain eligible for a health plan subsidy. Health and Dental Subsidies and Reimbursements

Medicare Parts B and D and whose Medicare benefits are included in their Board-approved health plan.

- F. LAFPP will limit the subsidy paid on behalf of the retired member's covered dependent to no more than the amount it would pay on behalf of a dependent enrolled in Medicare Parts A, B, and D whose Medicare benefits are included in the dependent's health plan if the dependent is either:
- enrolled in Medicare Part A, OR

- G. LAFPP will limit the subsidy paid on behalf of the retired member's covered dependent to no more than the amount it would pay on behalf of a dependent enrolled in Medicare Parts B and D whose Medicare benefits are included in the dependent's health plan if the dependent is either:
- enrolled in Medicare Part B, but not Part A, OR
 - is eligible for Medicare Part B coverage, but not eligible for premium-free Medicare Part A.
- H. Notwithstanding Section 8.2(F) and 8.2(G) above, the subsidy LAFPP pays on behalf of a retired member's covered dependent who is age 65 or older and enrolled as a non-Medicare dependent on the retired member's health plan as of October 1, 2015, shall be paid as though said dependent does not qualify for Medicare coverage until such time as the dependent actually enrolls in Medicare. Qualified surviving spouses/domestic partners shall be required to enroll in Medicare as stated in 8.2(A) and 8.2(B) to remain eligible for a health subsidy. (Amended 10/15/15)

MEDICARE PART B REIMBURSEMENT PROGRAM

- 8.3 A. Unless disqualified pursuant to 8.3(C) or 8.3(D) of these rules, a retired member or qualified surviving spouse/domestic partner who is eligible for a health subsidy under the provisions of Division 4, Chapter 11.5 of the Administrative Code may receive reimbursement of his or her basic Medicare Part B premium upon providing proof of enrollment in Medicare Parts A and B.
- B. Acceptable proof of enrollment in Medicare Parts A and B is any of the following:

- D. A retired member or qualified surviving spouse/domestic partner shall not be eligible for Medicare Part B premium reimbursement from LAFPP for any period during which he/she receives Medicare Part B premium reimbursement from another source.
- E. LAFPP will not reimburse any Medicare Part B premiums assessed due to Income-Related Monthly Adjustment Amounts (IRMAAs) or due to Late Enrollment Penalties (LEPs).
- F. Effective April 1, 2014, those LAFPP retired members and qualified surviving spouses/domestic partners who are eligible for and wish to receive a Medicare Part B premium reimbursement, but who are not enrolled in a Board-approved health plan, must file quarterly claims for Medicare Part B premium reimbursement through the HIPR program. Proof of Medicare Part B premium payment must be provided for each period for which the retired member or qualified surviving spouse/domestic partner requests reimbursement.

9.0 - IPAD USAGE POLICY

PURPOSE

- 9.1 In 2011, the Board of Fire and Police Pension Commissioners (Board) authorized the electronic distribution of Board meeting documents to Commissioners to mitigate administrative costs and improve access to information by the Board members.
- 9.2 To this end, LAFPP has selected the use of iPads and a web-based system (currently SharePoint) as an electronic solution by which Board meeting records will be distributed, accessed, stored, and secured. Staff has tested this solution in conjunction with the current administrative processes pertinent to the Board; developed a systems support plan; and determined the high scalability of the iPad solution to account for future potential developments requested by the General Manager, the Board and staff.

POLICY

- 9.3 It is the policy of the Los Angeles Fire and Police Pension System (LAFPP) to ensure that all electronic documents accessed by iPad devices and distributed through SharePoint, the department's web-based, collaborative platform, are stored, maintained, and disposed of in a manner that prevents the disclosure of confidential information.

 - B. LAFPP reserves the right to use tracking software to locate the iPad as necessary.
 - C. In the event the iPad is lost or stolen, LAFPP also reserves the right to delete all data on the iPad remotely and reset the iPad to its original factory standard in order to preserve the integrity of LAFPP electronic records.
 - D. LAFPP is not responsible for iPad compatibility with other non-LAFPP products (computers, printers, Bluetooth devices, software, etc.).

- 9.6 In addition, the user of a LAFPP issued iPad must agree to the following guidelines:
- A. Use the iPad and all installed applications for business purposes in the interests of LAFPP and in accordance with City ethics laws.
 - B. Occasional non-business use of iPad is acceptable only if the level of use is minimal and does not interfere with professional LAFPP business responsibilities or diminish productivity. (Added 09/06/18)
 - C. Use the iPad and all applications installed on the iPad accordingly, reasonably, and ethically (Added 09/06/18)
 - D. Take all appropriate and reasonable measures to physically and electronically secure the iPad and third-party applications with password protection.
 - E. Treat all LAFPP electronic records as confidential records.

REVIEW

9.12 The policy shall be reviewed by the Board as needed and may be amended by the Board at any time.

Los Angeles Fire & Police Pension System

10.0 – ACTUARIAL FUNDING POLICY

This Actuarial Funding Policy supersedes any previous Actuarial Funding Policies. It is a working document and may be modified as the Board deems necessary.

FUNDING POLICY GOALS

- 10.1 To achieve long-term full funding of the cost of benefits provided by the Los Angeles Fire and Police Pension System (LAFPP);
- 10.2 To seek reasonable and equitable allocation of the cost of benefits over time;
- 10.3 To minimize volatility of the plan sponsors' contribution to the extent reasonably possible, while consistent with other policy goals; and,
- 10.4 To support the general public policy goals of accountability and transparency by being clear as to both intent and effect, allowing for an assessment of how and when the plan sponsors will meet the funding requirements of the plan.

FUNDING REQUIREMENT

- 10.5 LAFPP's annual funding requirement is comprised of a payment of the cost attributed to the current year of service (Normal Cost) and a payment on the Unfunded Actuarial Accrued Liability (UAAL). The Normal Cost and the amount of the payment on UAAL are determined by the following three components of this funding policy:
 - A) Actuarial Cost Method: The techniques to allocate the total present value of future benefits to each year (Normal Cost), including all past years (Actuarial Accrued Liability).
 - B) Asset Smoothing Method: The techniques that spread the recognition of investment gains or losses over a period of time for the purposes of determining the Actuarial Value of Assets used in the actuarial valuation process.
 - C) Amortization Policy: The decisions on how, in terms of duration and pattern, to reduce the difference between the Actuarial Accrued Liability and the Actuarial Value of Assets in a systematic manner.

ACTUARIAL COST METHOD

- 10.6 The actuarial cost method is the Entry Age method, with the Normal Cost determined as a level percentage of payroll for each individual employee.
 - A) For funding purposes for both the Pension and the Health Plans, and for financial reporting purposes for the Health Plan, Normal Cost continues to accrue while members are in the DROP. Accordingly, salaries for members currently or anticipated in the future to elect the DROP are included in determining the Normal Cost.

(Amended 09/20/18)

- B) For financial reporting purposes for the Pension Plan, Normal Cost accrues only until members enter the DROP. Accordingly, salaries for members currently or anticipated in the future to elect the DROP are excluded in determining the Normal Cost.

(Amended 09/20/18)

ASSET SMOOTHING METHOD

- 10.7 A) For investment gains/losses prior to July 1, 2008:

The investment gains or losses of each valuation period, as a result of comparing the Market Value of assets at the end of the period with what the Market Value would have been if the assumed rate of return on assets was realized during the period, shall be recognized in a level amount over five (5) years in calculating the Actuarial Value of Assets; and

- B) For investment gains/losses after June 30, 2008:

The investment gains or losses of each valuation period, as a result of comparing the Market Value of assets at the end of the period with what the Market Value would have been if the assumed rate of return on assets was realized during the period, shall be recognized in a level amount over seven (7) years in calculating the Actuarial Value of Assets; and

- 10.8 The Actuarial Value of Assets as determined above shall be limited to within a corridor of 60%-140% of the Market Value of Assets.

- 10.8.1 This policy anticipates that future circumstances may warrant adjustments to change the pattern of the recognition of the net deferred investment gains or losses after a period of significant market change followed by a period of market correction. Such adjustments would be considered by the Board upon receiving an appropriate analysis from LAFPP's actuary. Such adjustments would be appropriate for consideration when the net deferred investment gains or losses are relatively small (i.e., the actuarial and market values are very close together), but the recognition of that net deferred amount is markedly non-level. Any such adjustment would be made subject to the following conditions:

- A) The net deferred investment gains or losses are unchanged as of the date of the adjustment; and,

- B) The period over which the net deferred investment gains and losses are fully recognized is unchanged as of the date of the adjustment. (Section added 10/02/14)

AMORTIZATION POLICY

- 10.9 The Unfunded Actuarial Accrued Liability (UAAL), the difference between the Actuarial Accrued Liability and the Actuarial Value of Assets, shall be amortized over various periods of time, depending on how the unfunded liability arose.

10.10 For UAAL identified before the June 30, 2012 actuarial valuation:

A) The original UAAL bases for the Pension Plan:

Tier 1 (including all UAAL identified in subsequent valuations through June 30, 2011): 70 years in 1967 with 26 years remaining in the June 30, 2011 valuation, and;

Tier 2 (including all UAAL identified in subsequent valuations through June 30, 2008): 70 years in 1967 with 26 years remaining in the June 30, 2011 valuation, and;

Tier 5: 30 years in 2002 with 21 years remaining in the June 30, 2011 valuation.

B) The original UAAL bases for the Health plan (including all UAAL identified in subsequent valuations through June 30, 2011 for the Health Plan):

All Tiers (except for Harbor Department): 30 years in 2006 with 25 years remaining in the June 30, 2011 valuation; and;

Tier 5 (Harbor Department): 29 years in 2007 with 25 years remaining in the June 30, 2011 valuation.

C) Actuarial gains or losses (for the Pension Plan) shall be amortized over 15 years;

D) Changes in actuarial assumptions and cost methods (for the Pension Plan) shall be amortized over 30 years;

E) Plan amendments, other than Early Retirement Incentives, (for the Pension Plan) shall be amortized over 30 years;

F) Early Retirement Incentives (for the Pension Plan) shall be amortized over 30 years;

G) Actuarial funding surplus (an excess of Actuarial Value of Assets over Actuarial Accrued Liability) (for the Pension Plan) shall be amortized over 15 years;

10.11 For UAAL identified beginning from the June 30, 2012 valuation:

A) The original UAAL bases for the Pension Plan:

Tier 1 (including all UAAL identified in subsequent valuations through June 30, 2011): 70 years in 1967 with 25 years remaining in the June 30, 2012 valuation, and;

Tier 2 (including all UAAL identified in subsequent valuations through June 30, 2008): 70 years in 1967 with 25 years remaining in the June 30, 2012 valuation, and;

Tier 5: 30 years in 2002 with 20 years remaining in the June 30, 2012 valuation.

B) The original UAAL bases for the Health Plan (including all UAAL identified in subsequent valuations through June 30, 2011 for the Health Plan):

All Tiers (except for Harbor Department): 30 years in 2006 with 24 years in the June 30, 2012 valuation; and;

Tier 5 (Harbor Department): 29 years in 2007 with 24 years remaining in the June 30, 2012 valuation.

- C) Actuarial gains or losses shall be amortized over 20 years;
- D) Beginning from the June 30, 2012 valuation, changes in actuarial assumptions and cost methods shall be amortized over 25 years. Beginning from the June 30, 2017 valuation, changes in actuarial assumptions and cost methods shall be amortized over 20 years; (Amended 03/16/17)
- E) Plan amendments, other than Early Retirement Incentives, shall be amortized over 15 years;
- F) Early Retirement Incentives shall be amortized over 5 years;
- G) Actuarial funding surplus (an excess of Actuarial Value of Assets over Actuarial Accrued Liability) shall be amortized over 30 years;

10.12 For all Tiers except for Tier 1, UAAL shall be amortized as a level percentage of payroll so that the amortization amount in each year during the amortization period shall be expected to be a level percentage of covered payroll, taking into consideration the current assumptions for general payroll increase (Tier 1 UAAL shall be amortized as a level dollar amount);

10.13 The UAAL amortization payment rate shall be calculated for Tiers 2, 3 and 4 by dividing the amount required to amortize the UAAL for each of these Tiers by the total City sworn covered payroll (excluding the Harbor Department and Airport Department sworn covered payroll); (Amended 09/20/18)

10.14 The UAAL amortization payment rate shall be calculated for Tiers 5 and 6 by dividing the amount required to amortize the UAAL for each of these Tiers by the total City sworn covered payroll for these Tiers (excluding the Harbor Department and Airport Department sworn covered payroll); (Amended 09/20/18)

10.15 The UAAL amortization payment rate shall be calculated for Harbor Department Members of Tiers 5 & 6 by dividing the amount required to amortize the UAAL for each of these Tiers by the total Harbor sworn covered payroll for these Tiers (excluding the City and Airport Department sworn covered payroll); (Amended 09/20/18)

10.15.1 The UAAL amortization payment rate shall be calculated for Airport Department Members of Tier 6 by dividing the amount required to amortize the UAAL for Tier 6 by the total Airport sworn covered payroll for Tier 6 (excluding the City and Harbor Department sworn covered payroll); (Added 09/20/18)

10.16 UAAL shall be amortized over multiple fixed layers for pension benefits;

10.17 UAAL shall be amortized over multiple fixed layers for health benefits, with any annual changes in assumptions and plan elements (such as medical trend rate and annual premium rates) considered similar to actuarial gains/losses and amortized accordingly.

10.18 Layers generated by various sources of UAAL shall be combined and/or restarted when:

- A) The net result of amortization of all layers combined is an amortization credit which would offset the Normal Cost; or
- B) Other conditions arise such that the Board, upon the advice of its consulting actuary considers that is appropriate to do so.
